

They Learned Better.

It is recorded that the first Ural miners were much disgusted with platinum and did not know what to do with the hard, dirty-looking metal, says a London contemporary. They thought they had solved the problem of successful utilization when they had made bullets of it for their sporting muskets.

Cure for Headache.

As a remedy for all forms of headache Chamberlain's Cough Remedy has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headache yields to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In case of habitual constipation Chamberlain's Cough Remedy gives relief by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it at once. Large bottles only 50¢ at John Y. MacRae's drug store.

HOW TO PREVENT CROUP

SOME READING THAT WILL PROVE INTERESTING TO YOUNG MOTHERS—HOW TO GUARD AGAINST THE DISEASE.

Croup is a terror to young mothers and to post them concerning the cause, first symptoms and treatment is the object of this item. The origin of croup is a common cold. Children who are subject to it take cold very easily and croup is almost sure to follow. The first symptom is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given all tendency to croup will soon disappear. Even after the croupy cough has developed it will prevent the attack. There is no danger in giving this remedy, for it contains nothing injurious. For sale by J. Hal Bobbitt, Druggist.

If there was an election in New Jersey, the Democrats were not notified to attend.

A clear, soft, rosy complexion is the desire of every lady. Why not give Johnson's Oriental Soap a trial. There is nothing to compare with it as a skin beautifier. Two cakes in a package, 25 cents. For sale by John Y. MacRae, Druggist.

I don't see that this election calls for any comment from me.—G. Cleveland.

The wife of Mr. Leonard Wells, of East Brimfield, Mass., had been suffering from neuralgia for two days, not being able to sleep or hardly sleep still, when Mr. Holden, the merchant there, sent her a bottle of Chamberlain's Pain Balm, and asked that she give it a thorough trial. On meeting Mr. Wells the next day he was told that she was all right, the pain had left her within two hours, and that the bottle of Pain Balm was worth \$5.00 if it could not be had for less. For sale at 50 cents per bottle by J. Hal Bobbitt, Druggist.

Itching, burning, early and crusty skin scales of infants cleansed and healed and quiet sleep restored by Johnson's Oriental Soap, medicinal and toilet, two large cakes 25 cts. For sale by John Y. MacRae.

Mr. Bricke has at least the satisfaction of knowing it was loaded.

Rheumatism, neuralgia, pains in the back or side, stiff neck, sore throat, tonsillitis, diphtheria, camp and colic instantly relieved by Johnson's Magnolia Oil. Large bottles, 25 and 50 cents. For sale by John Y. MacRae, Druggist.

The Democrats appear to have kicked a goat in Mississippi.

Johnson's Kidney and Liver Balm later investigated the liver, regulates the bowels, cures dyspepsia, biliousness, indigestion, sour stomach and makes your head as clear as a bell. 25 and 50 cents. For sale by John Y. MacRae.

S. F. Yinger, Duwatt, Pa., writes: Mr. Haring of this place has used your remedy for the Piles and recommends it very highly. He gave me your address. I would like to know on what terms and price you sell to dealers. Let me hear from you and oblige. Sold by John Y. MacRae.

Dr. G. C. Osason, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quick nostrums which are destroying their lives, by forcing opium, morphine, soothing syrup and other harmful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Chamberlain, Conway, Ark.

R. A. AUSTIN, M. D., 111 St. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
