William Austin Killed Himself This Morning—Temporary Insanity.

News was received here this morning of the suicide at Durham of policeman, No. 5, William Austin. He shot himself in the head with a pistol and death was instantaneous.

The tragedy occurred at the policeman's home at 730 o'clock, shortly after he had finished his breakfast. The suicide is supposed to have been the result of a fit of temporary insanity.

Auntie was actively on duty and worked on the day shift all yesterday. He had complained of being slightly ill. Just as the time came for him to go on duty today, he pulled his pistol and shot himself before his wife and little child. Before the frightened wife could summon assistance he was dead. He left a wife and seven children.

Policeman Suggs, of Durham, who is here as a witness before the Federal Court was telephoned for this morning to come home, as his services are needed.

MISS LIDA GARR TO WED. Will be Married to Mr. H. C. Flower, of Kansas City, on the 15th.

Colonel and Mrs. Julius S Carr invite you to be present at the marriage of their daughter, Lida, to Mr. Henry Corwin Flower, on Wednesday evening, December the eighteenth, one thousand eight hundred and ninety-five, at eight o'clock, Somerset Villa, Durham, N. C.

The above is the form of the prettily gotten-up invitations which were received by many Raleighites this morning. The occasion will be one of the most notable social functions of the State for some time.

Miss Carr is well known in this city, where she has often visited. All who have met her have been charmed with her delightful manner and beauty. She is one of Carolina's fairest daughters, and hundreds will wish her God-speed and a married life of unalloyed happiness.

Mr. Henry Corwin Flower is not so well known in this State. It was at the Kansas City home that he wooed and won his bride. He is well known there and through the West as a young man of social and business prominence.

J. O. U. A. M. Raleigh Council No. 1 will meet tonight in Pullen building, a full attendance is desired. W. B. KENNETH, C.

It is the Raleigh cotton mill and not the Pilot mill, which is running day and night, as was noted a day or so ago.

ON TWELVE TRAINS. The Maryland Celebration Coming Through Tomorrow.

The Maryland delegation to Atlanta will pass through Raleigh tomorrow on twelve special Pullman trains via the Seaboard Air Line.

The delegation is composed of the Fourth and Fifth Maryland Regiments of Baltimore, the Naval Reserve of Baltimore, and a number of prominent citizens, and will number about 1,200 strong.

They will pass through Raleigh tomorrow evening on twelve special trains running as sections of the mail, and there will be a steady stream of these trains from about 1 to 6 o'clock.

The Seaboard has the undertaking of handling the largest single party which has gone to Atlanta and they will no doubt put the party through all right. Each train will consist of six Pullmans and baggage cars.

Mr. Ike Emerson, of Baltimore, is commander of the Naval Reserve. He has made arrangements for the Reserve and many of the party to stop over and take dinner at the Park Hotel tomorrow. The troops will appear in uniforms. They will probably appear on the streets in ranks.

The Fifth Maryland Regt., 1st cent., which visited our city in '91, will be remembered with much pleasure. The Fifth is one of the crack military organizations of the entire country and has visited but few of the leading cities in its history. Many people will be at the depot tomorrow to watch the passing visitors.
