**Harris' Lithia Water**  
Read what the noted Dr. Thomas S. Powell, President of the Southern Medical College of Atlanta, Ga., has to say for Harris' Lithia Water:  
Mr. J. T. Harris,  
Dear Sir—I have found the use of the water from your Lithia Spring in the South Carolina so efficacious in the case of my patient, a gentleman who has suffered for years with Diabetes, with all its different attendants, that I want to add my testimonial to the many you already have. The patient that I refer to has used the water freely at home for scarcely a month now, with more beneficial results than from months spent at the different noted lithia springs in different parts of the United States, besides long continued use of the same water at home. Other cases of my patients and friends are now using the same with best results. I cordially recommend it to all suffering from similar diseases.  
Very respectfully yours,  
THOMAS S. POWELL, M. D.  
Pres. Southern Medical College, Atlanta, Ga.

Mr. J. T. Harris,  
Dear Sir—It gives me pleasure to say that I have been using your Lithia Water for several months past, and that I believe it to be one of the best Lithia Waters that I have come in contact with.  
Yours truly,  
E. S. JOHN,  
Vice President S. & L. R. R., Fayetteville, N. C., April 24, 1905.  
An extended clinical use of the Harris Lithia Water prompts me to the statement that I regard it as one of the best, if not the best, Lithia Waters known to the profession. In the condition of Phosphatic Urine, its action is marvelous. Its use in the Rheumatic and Gouty Diathesis affords me more comfort than either the Buffalo or Londonderry Waters.  
Very truly yours,  
JOHN LEE WILLIAMS, M. D.

Harris' Lithia Water contains one-third more Lithia than any natural lithia water on the market. For sale by the Druggists of Raleigh.
