Mr. L. A. Carr, of Durham, was here today. Mr. Carr has an interest in the great Virginia and North Carolina Fertilizer Company, of which Mr. S. T. Morgan is president. Messrs. Morgan, Carr, Strudwick and P. B. Daney, all North Carolinians, are prominently identified with this successful organization, and their many North Carolina friends are greatly pleased at the success that they as North Carolinians have achieved. They are made of the stuff that always succeeds.

Refused to Accept the Call.
Before his sermon at Calvary Baptist church, Roanoke, Sunday morning, Rev. Dr. L. G. Broughton announced to his congregation that he had refused to accept a call from another church, the whereabouts of which they knew, notwithstanding the fact that they had offered him a salary larger by \$1,000 than Calvary church is paying.

The Cabarrus Convention.
Col. Paul B. Means, of Concord, speaking of the convention there last Saturday, says that the gold men had complete control and could have passed the most stringent gold resolutions, but out of regard for the silver men in the county no action on this line was taken. They can always be magnanimous in Cabarrus when they want to.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else; they bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in cough and colds. Free trial bottle at John Y. MacRae's drugstore Regular size 50c and \$1.

NEW ARRIVALS

We have just received some new things which may interest you. Thirty dozen ladies gauze vests at 5 cents each; these are a great deal better than any we have had this season; in the first place they are bleached, which is much nicer than the unbleached ones, and then they are finer, and much better finished, in fact they are just as good in every way as any we have seen at 10 cents. It is a real bargain, and the price is only 5 cents. Also a Turkish bath towel at 10 cents; did you ever see a regular Turkish bath towel at 10 cents before? We hardly think so. Also good, heavy linen towels at 10 cents, good size and a big value. Two hundred papers good pins (dress pins) at 1 cent a paper. Also ladies black belts at 5, 10, 15, 20 and 25 cents each. Also men's leather belts, 10, 15, 20 and 25 cents. Also big lot black fans at 5 cents; colored ones, same price, 5 cents. Hooks and eyes with a hump, 3 cents per card. White sailor hats (ladies) bell crown, good fine straw, 25 cents each. These are only a few of our new arrivals, and each is a bargain.
NEXT WEEK IS CARPET WEEK.
