

TO DOUBLE THE OUTPUT.

The Mint to Stamp 3,000,000 Silver Dollars Every Month Hereafter.

WASHINGTON, July 16—Owing to the fact that the amount of silver dollars in the Treasury available for the redemption of Treasury notes, has become reduced to \$10,659,582 and will be further reduced by redemption during the current month, the coinage of silver dollars by the mints will be increased from one and one-half million dollars to three million dollars per month from the 1st of August, and will probably be continued at that rate in order that the Treasury may have a sufficient stock to redeem Treasury notes presented in exchange for dollars.

On the 1st of March, 1893, the Treasury held 29,390,461 standard silver dollars for the redemption of Treasury notes under the act of July 1890. Today the number of silver dollars held by the Treasury for the redemption of Treasury notes is \$10,659,582. Since the 1st of March, 1893, the coinage of silver dollars has aggregated \$11,983,056. Of this sum, however, \$2,311,677 was profits or seigniorage, which leaves \$9,671,379 for the redemption of Treasury notes. The amount of Treasury notes redeemed in silver dollars and cancelled from November 1st, 1893, to July 14th, 1896, was \$28,402,258.

Resumption of Daily Steamer Service Between West Point and Baltimore.

Beginning July 14th, the York River Line will resume operating its steamers between West Point, Va., and Baltimore, daily except Sunday. The Southern Railway Company, commencing today, will restore the passenger train service between Richmond and West Point to two trains; first train leaving Richmond at 3:10 p. m., and the boat train leaving Richmond at 4:45 p. m. This gives the Southern Railway Company a steamer outlet to Baltimore daily except Sunday both from West Point and from Norfolk via their new Baltimore and Norfolk Line.

Norfolk's New Hotel. Yesterday's New York Journal says: "Architects Scott, Edelsvard & Fortin, of No. 132 Nassau street, are busy on plans for an eight story hotel, 100x80, to be erected at Norfolk, Va., by Judge Charles Avery, of No. 80 Broadway, this city. The plans call for steel construction, elevators, electric light and steam heat. The hotel will cost \$400,000." The hotel is to be erected on the Dickson property at the corner of Granby street and City Hall avenue.

THE TRIUMPH OF LOVE

"HAPPY, FRUITFUL MARRIAGE." Every Man Who Would Know the Grand Truths, the Plain Facts, the New Discoveries of Medical Science as Applied to Married Life, Who Would Atone for Past Errors and Avoid Future Pitfalls, Should Secure the Wonderful Little Book Called "Complete Husbands, and How to Attract Them." Here at last is information from a high medical source that must work wonders with you. The book fully describes a method by which to obtain full vigor and manly power. A method by which to end all unnatural troubles on the system.

To cure nervousness, lack of self-control, despondency, etc. To exchange a faded and worn nature for one of brightness, buoyancy and power. To cure forever effects of excess, overwork, worry, etc. To give full strength, development and tone to every portion and organ of the body. Age no barrier. Failure impossible. Two thousand references. The book is purely medical and scientific, useless to curiosity seekers, invaluable to men only who need it. A despairing man, who had applied to us, soon after wrote: "Well, I tell you that first day is one I'll never forget. I just bubbled with joy. I wanted to hug everybody and tell them my old self had died yesterday, and my new self was born to-day. Why didn't you tell me when I first wrote that I would and it was?" And another thus: "If you dumped a cart load of gold at my feet it would not bring such gladness into my life as your method has done." Write to the ERIE MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MARRIAGE." Refer to this paper, and the company promises to send the book, in sealed envelope, without any marks, and entirely free, until it is well introduced.
