Bread is the staff of life. Good Bread is a luxury. Do you always have this luxury? If not, why not? The most common cause of poor Bread is the Flour. We sell the old reliable

SENSIBLE

People are always on the alert to preserve health, for "health is wealth."

A rich man once said he would give half his fortune to be able to digest buckwheat cakes. Indigestion is very common. One of the best remedies for indigestion is

Otterburn Lithia Water

Four or five glasses daily will work wonders and improve your general health.

Be on your lookout for typhoid fever. The germs are found in much of our drinking water. OTTERBURN LITHIA is absolutely free from germs and other organic matter. I am buying OTTERBURN in large quantities and can sell it so cheaply that many will use it for general drinking purposes.

OTTERBURN LITHIA is a tonic, diuretic and blood purifying remedy furnished by nature, and thousands will testify as to its medicinal value. Ladies will find that it enriches the blood and improves the complexion to a marked degree. OTTERBURN has long been a prime favorite with physicians, as it is easily retained by the most delicate stomachs. It probably has a larger sale in Raleigh than all other mineral waters combined. Parties furnishing their own containers will be given special prices.
