MESSES, LIPPMAS BROS., Savannal Ga: DEAR SIRS-I wish to give my testi monial in regard to your valuable medicine, P. P. P., for the cure of rheumatism, ne-raigia dyspepsia, bil-lousness, etc. in 1861 I was attacked with billous muscular rheumatism. and have been a martyr to it ever

aince.

I tried ail medicines I ever heard of and all the doctors in reach, but I found only temporary relief; the pains were so had at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife assouffiered so inferrely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at a time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P P P, and before we (my wife and I) had thushed the second bottle of P P P, our digestion began to improve, My palies subsided so much that I have been able to work, and am feeling like doing what I haven't done before in a number of years, we will continue taking P P until we are entirely cuted, and will cheerfully recommend it to all authering humanity.

Yours most respectfully. I tried all medicines I ever heard of,
