The conditions have changed only slightly during the past 24 hours. The outlook now is for continued warm weather—not so warm as the warmest days of the hot spell that has been prevailing, but somewhat warmer than the normal for this time of year.

Moderately high pressure is found over the east Lake region and over the South Atlantic and gulf regions. An indefinite kind of "low" prevails over the northwest.

Heavy rains are reported from from Pittsburg and Washington, and showers occurred here and there in nearly all sections. But the weather was generally clear this morning.

Mr. Bryan Needs Rest.

By Telegraph to the Press-Visitor.
New York, Aug. 14.—Mr. Bryan arose much refreshed this morning and received newspaper men for a short time. He said he had postponed his trip to Maine because he needed rest, and announced later that he would leave here tomorrow.

Nearly all Southern and Western men who came to New York to attend the meetings of the Democratic National Committee and notification, have returned home. Among the prominent Bryanites at the Fifth Avenue today were Senator Jones, Senator Gorman, Arthur Sewall, Richard P. Bland and W. J. Tomlinson. Senator Jones has not yet made up the list of committees, and did not know when he could finish the work.

Senators Jones and Gorman will probably go to Washington tomorrow. Mr. Bryan will speak at Buffalo on the 27th, at Erie on the 29th, after which he will go home and receive the Populist notification and about September 1st he will proceed to Maine and stay until after the election.

Relief at Last.

By Telegraph to the Press-Visitor.
New York, Aug. 14.—The long promised prayerfully waited relief from the death-dealing plague of heat, which beset this city for more than a week came in a measure this morning. The thermometer registered sixty-nine with humidity one hundred. Up to nine o'clock this morning, since midnight, eleven prostrations are reported. Five sudden deaths also reported. Indications clearing cooler.

Release of Prisoners Demanded.

By Cable to the Press-Visitor.
Constantinople, Aug. 14.—United States Minister Terrell has demanded the release of six Armenians, who are naturalized Americans, and are imprisoned at Aleppo. In so doing Mr. Terrell intimated that any further imprisonment of American citizens would not be tolerated.

Li-Hung's Short Stay.

By Cable to the Press-Visitor.
San Francisco, Aug. 14.—A few days ago the telegraph conveyed information that Li-Hung-Chang found it an urgent necessity to cut short his American tour. The message said mainly that it was due to the reason he had been advised of threatening political intrigues at home and after a short stay at Washington he would hurry home.

SENSIBLE
People are always on the alert to preserve health, for "health is wealth." A rich man once said he would give half his fortune to be able to digest buck wheat cakes. Indigestion is very common. One of the best remedies for indigestion is

Otterburn Lithia Water
Four or five glasses daily will work wonders and improve your general health.
Be on your lookout for typhoid fever. The germs are found in much of our drinking water. OTTERBURN LITHIA is absolutely free from germs and other organic matter. I am buying OTTERBURN in large quantities and can sell it so cheaply that many will use it for general drinking purposes.
OTTERBURN LITHIA is a tonic, diuretic and blood purifying remedy furnished by nature, and thousands will testify as to its medicinal value. Ladies will find that it enriches the blood and improves the complexion to a marked degree. OTTERBURN has long been a prime favorite with physicians, as it is easily retained by the most delicate stomachs. It probably has a larger sale in Raleigh than all other mineral waters combined. Parties furnishing their own containers will be given special prices.
