Synopsis of the Weather.

The barometer has risen over the Northern portion of the country, especially over the Lake region, where a decided "high" exists this morning. The pressure is also higher than it was yesterday over the South, and the rise in pressure has been accompanied by a slight fall in temperature.

There is still a slight depression in pressure over Alabama, Florida and Georgia, which may cause more rain along the Atlantic coast.

The conditions are favorable for a pleasant day here on Wednesday, fair and moderately cool.

Haywood Bros. Minstrels and Utopia.

Haywood Bros. minstrels, and Utopia which is being organized in this city will give the initial performance here next Tuesday night. Much interest is being manifested in the first appearance of the company which is composed largely of local talent.

Mr. Sherwood Upchurch is managing the Company. He has already booked the attraction for over 30 towns in North Carolina, Virginia and South Carolina. The paper has arrived and it is new and attractive.

The orchestra is one of the best in the country being composed of the three Haywoods and two others who travelled last year with "Darkest America." The music, both vocal and instrumental is to be a strong feature of the show.

Several new and up-to-date songs will be rendered Tuesday night, which have not been heard outside of the large cities.

The show will be a great surprise.

The Majestic Makes a New Record.

By Telegraph to the Press-Visitor. New York, Aug. 19.—The White Star liner, Majestic, made a new record this morning, making the run from Daunt's Rock in five days, seventeen hours and fifty-five minutes.

Thieves Very Active.

Thieves are very active in Raleigh at present. Reports of deprivations during the past week or so have been very frequent. Last evening the store of Wharton & Lee on Bloodworth street was entered and some \$5 worth of goods taken away. The money drawer was opened and the object of the thieves seems to have been to secure some of the "filthy."

Thieves also entered Mr. E. R. Pace's store on North Person street, but were scared away.

Mrs. Wm. Gentry, of Richmond, who has been visiting in the city returned home this morning accompanied by Misses Janie and Alma Wright.

Mrs. Fairbrother Sues Louis De LaCroix.

Some weeks ago the Press-Visitor stated that Mrs. H. M. Fairbrother had determined to enter suit against Louis De LaCroix of Oxford.

The Durham Herald said yesterday: Mrs. M. H. Fairbrother, editor of the Hillsboro Recorder, which suspended publication some time ago, has filed papers suing Louis De LaCroix, of Granville county, for \$5,000 damages. The suit will be brought through the law firm of Messrs. Guthrie & Guthrie, of this city.

Mrs. Fairbrother was editing the Hillsboro Recorder, an advocate of the silver cause, and while absent from the office one day, Mr. De LaCroix, who is a strong gold man, sent some gold literature which was printed "Supplement of Hillsboro Recorder," and the mailing clerk, thinking that Mrs. Fairbrother had sent the bundle there, sent out several hundred of the circulars. The publication of the Recorder was stopped a short time afterwards, the editor claiming that the circulars had ruined the reputation and standing of the paper.
