Convicted of Arson and Sentenced by Judge Green-Seems to Have Been a Technical Case-His Prayer to the Governor.

A 30 DAYS' RESPITE.

Governor Carr has granted a 30 days' reprieve to Frank Howard, who was to have been hanged in Concord, Cabarrus county, on Friday, August 28th.

On the 16th of February, 1896, Howard set fire to and burned the dwelling house of C. O. Gibson, of Cabarrus county, Howard was tried at the July term of Cabarrus court and found guilty. He was sentenced to be hanged on Friday next by Judge L. L. Green.

Mr. Morrison Caldwell, who is attorney for Howard by appointment of the court, made a petition to the Governor for a commutation of sentence.

Howard, in his petition to the Governor, made through his attorney, says that the evidence showed only a partial burning of the dwelling house as a result of the firing of the barn, which was 144 feet distant. The petition prayed the Governor to "either commute the sentence to life imprisonment, or at least grant him a respite in order to inquire into the matter, if not satisfied that the ends of Justice will be subserved by a life imprisonment for this technical arson.

-A reward of \$50 has been paid to B. G. Sutherland for the delivery of Henry York to the Sheriff of Cabarrus county. York is charged with murder.
