GOOD-BYE!

You would think we had said good-bye to summer in earnest by the looks of the big piles of fall goods we are stacking up. Well, we have about the smallest stock of summer goods to carry over to next season that ever you saw in a house half as large as this one. You will find an entirely new stock in every department—it's our way—we never will carry goods over, don't believe in it. We have made liberal preparations for a big fall trade. We are going to have it, too. We sell for cash, but we sell cheap. Why should we not sell cheaply? We buy for cash, we sell for cash. We go to the market and look for good things, just like you know a good thing when you see it. We do, too. We found some of the best things this time we ever saw; we want you to come and see them; almost every department is

Loaded With Great Bargains.

Two Shoes with but a dollar bought, a pair for price of 1

Funny that Shoes that cost \$2.50 to \$3.00 should be sold for a DOLLAR A PAIR, isn't it? Who would think that an eighth of an inch in the width of the toe would make such a difference?

A Dollar a Pair for \$3.00 Shoes.

That's our store card for the rest of the week! It means two-thirds of the cost saved and a little more room for cramped toes, too. Pretty good bargain, don't you think?

SENSIBLE

People are always on the alert to preserve health, for "health is wealth." A rich man once said he would give half his fortune to be able to digest buck wheat cakes. Indigestion is very common. One of the best remedies for indigestion is

Otterburn Lithia Water

Four or five glasses daily will work wonders and improve your general health.

Be on your lookout for typhoid fever. The germs are found in much of our drinking water. OTTERBURN LITHIA is absolutely free from germs and other organic matter. I am buying OTTERBURN in large quantities and can sell it so cheaply that many will use it for general drinking purposes.
 OTTERBURN LITHIA is a tonic, diuretic and blood purifying remedy furnished by nature, and thousands will testify as to its medicinal value. Ladies will find that it enriches the blood and improves the complexion to a marked degree. OTTERBURN has long been a prime favorite with physicians, as it is easily retained by the most delicate stomachs. It probably has a larger sale in Raleigh than all other mineral waters combined. Parties furnishing their own containers will be given special prices.
