CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Belemian's Drops, Godfrey's Cordial, many so-called soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons? Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons? Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed? Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle? Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Picher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense? Do You Know that one of the reasons for granting this government-protection was because Castoria had been proven to be absolutely harmless? Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose? Do You Know that when possessed of this perfect preparation, your children will be kept well, and that you will have unbroken rest? Well, these things are worth knowing. They are facts.

The facsimile signature of Dr. J. C. Picher is on every wrapper. Children Cry for Pitcher's Castoria.

THE TRIUMPH OF LOVE

IS HAPPY, FRUITFUL MARRIAGE. Every Man Who Would Know the Great Truths, the Plain Facts, the New Discoveries of Medical Science as Applied to Married Life, Who Would Atone for Past Errors and Avoid Future Pitfalls, Should Secure the Wonderful Little Book Called "Complete Manhood, and How to Attain It."

"Here at last is information from a high medical source that must work wonders with this generation of men." The book fully describes a method by which to attain full vigor and manly power. A method by which to end all unnatural drains on the system.

To cure nervousness, lack of self-control, impotency, etc. To excite a jaded and worn nature for one of brightness, buoyancy and power. To cure nervous effects of excesses, overwork, worry, etc. To give full strength, development and tone to every portion and organ of the body. Age no barrier. Failure impossible. Two thousand references. The book is purely medical and scientific, useless to curious seekers, invaluable to men only who need it. A despairing man, who had applied to us, soon after wrote: "Well, I tell you that first day is one I'll never forget. I just bubbled with joy. I wanted to hug everybody and tell them my old self had died yesterday, and my new self was born to-day. Why didn't you tell me when I first wrote that I would find it this way?" And another thus: "I've dumped a cart load of gold at my feet. It would not bring such gladness into my life as your method has done."

Write to the ERIG MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MANHOOD." Refer to this paper, and the company promises to send the book, in sealed envelope, without any mark, and entirely free, until it is well introduced.
