STAND TOGETHER FOR WATSON.

The present indication seems to be that the chances in favor of the election of Cyrus B. Watson Governor of North Carolina are indeed flattering. Russell's intention to stay in the field, and the declaration of the Republican leaders that he will stay up at the head of the ticket, if carried out, will make Mr. Watson's election pretty well assured. All that is needed is for straight Watson Democrats to stick together and be at the polls on election day. We regard the election of Governor as by far the most important thing which will be voted on in the coming election, either the State or National ticket, and we hope there will be a solidity of the Democratic vote on that nomination at least.

We trust that every one of our readers carefully perused the admirable report of President Pogue of the Chamber of Commerce, full as it was of pertinent suggestions. President Pogue has made a model President of the chamber and that organization is to be congratulated upon re-electing him at its head.

Topeka, Kan., a city of 40,000 population, has adopted the "curfew system." The first bell rings for fifteen minutes before 8 p. m. in winter and 9 in summer, and all children under 16 years of age found in the streets or in public places after that time unaccompanied by parents or guardians, are liable to arrest and fine.

The German custom of dueling has borne singular fruit at Konigsberg. The manager of the Borsengarten, a concert garden there, refused the challenge of a government assessor. The higher governmental officials of the city thereupon boycotted the establishment, and the general commanding has forbidden officers to frequent it, and has withdrawn the permission granted to the regimental bands to play there.

The New York Evening Post of the 3rd says: The will of Kate Field was found yesterday in a tin box which she had left with the proprietor of the Shoreham Hotel at Washington, D. C. It appoints as executors H. H. Kohlsaat, of Chicago, and T. Sanford Beatty, secretary to Senator Brice. The latter is her literary executor. As anticipated, it provides for the cremation of her body and the burial of the ashes at Mount Auburn, Mass.

According to the Southern States Magazine the Missouri, Kansas and Texas railroad has put into effect a low rate from Galveston northward, the object being to bring immigrants bound from Europe to the West, through Galveston instead of New York, as is now the case. It is also said that the North German Lloyd and Hamburg American Steamship lines are favorable to this movement and will run ships regularly between Hamburg and Bremen and the Texas port. The Southern States Magazine says, and probably it is right, that the tendency of immigrants is to settle near the place of landing, and as-

suming this to be a fact, the belief is that the bringing of immigrants from Europe to Galveston will be a positive benefit to the South.

The New Orleans Times-Democrat says it is officially announced that Japan will buy the cotton she needs for her mills in the Crescent city. A Japanese broker has been in this country for several months surveying the field for the purpose of determining where he can buy cotton on the most favorable terms and of the quality needed in Japan, and has finally decided to place a large order in New Orleans. The Japanese trade is already considerable, amounting to some 75,000 to 100,000 bales a year, and promises to steadily increase. "Of course," says the Times-Democrat, "by the new arrangement New Orleans will get practically the entire Japanese business."

That

Tired Feeling Makes you seem "all broken up," without life, ambition, energy or appetite. It is often the forerunner of serious illness, or the accompaniment of nervous troubles. It is a positive proof of thin, weak, impure blood; for, if the blood is rich, red, vitalized and vigorous, it imparts life and energy to every nerve, organ and tissue of the body. The necessity of taking Hood's Sarsaparilla for that tired feeling is therefore apparent to every one, and the good it will do you is equally beyond question. Remember
