Mr. L. J. Walker left today for his home at Glendale, Alamance county, where, we regret to note, that his mother is quite sick.

Mr. E. G. Penny, one of Wake county's most prominent and successful farmers and merchants, was in the city today. Raleigh is always glad to see such substantial citizens here.

Mr. T. H. McKay, the well known and popular representative of R. F. Morris & Sons of Durham, will make Raleigh his headquarters and will bring his family here to live about the middle of this month. They will make their home on South Salisbury street.

Mr. R. A. White has accepted a position with the extensive and well known establishment of W. E. Jones, where he will be glad to see his many friends. Mr. White was formerly with Mr. A. B. Stronach and has ample experience. Mr. Henry J. Strickland of Harnett county has also taken a position with Mr. Jones.

Mr. M. H. Pinnix, Jr., of Reidsville is in the city. Mr. Pinnix is the gentleman who endorsed the check forged by R. L. McAllister on the Bank of Reidsville for \$285. Mr. Pinnix was apprised of McAllister's capture and confinement at Shreveport, La., in yesterday's Press-Visitor.

## Time to Take to the Woods Now.

The Washington Times of yesterday says: "The new Korean minister, Chin He Yi Pum, is expected to reach the city this afternoon or tomorrow."

He reached New York yesterday from Montreal on his way to Washington. The minister and Mrs. Pum, their baby daughter and four attendants, found accommodations at the Warwick, where for a little while they upset the usual stir of Broadway.

Plans were laid to take the minister to Washington today, but the Honorable Pum objected and preferred to remain to see New York's sights.

Mr. Pum is a Korean prince of the heaviest kind. For this reason he carries the Chin at the front of his name, Chin being another way of saying his excellency.

## Fair Weather.

The weather continues clear nearly every where east of the Mississippi, with the barometer slightly lower over the Gulf region and decidedly lower over the middle and northern States. There is a "low" off the New England coast which is causing stormy weather and considerable rain in Boston. The "low" which was central over Kansas yesterday morning is now spread over Kansas, Missouri, Iowa and Illinois. Rain is reported from stations representing a large area in the northwest. An area of high pressure and decidedly colder weather has appeared over the Dakotas. The temperature at Bismarck was 32 degrees at 8 a. m., today, and killing frost occurred.

Mr. Frank Shaw, the Democratic nominee for Congress in the third district, returned home today.

## Death of Mrs. Overby.

Mrs. Ann E. Overby, one of the oldest residents of the Wake Forest section, died at the residence of Maj. J. M. Crenshaw, two miles from Wake Forest, Friday evening at 6 o'clock. She was one of the most respected and beloved women in the county.

For some years she had lived with her niece, Mrs. Crenshaw. The funeral was held yesterday afternoon.

## Otterburn Lithia Water

Four or five glasses daily will work wonders and improve your general health.

Be on your lookout for typhoid fever. The germs are found in much of our drinking water. OTTERBURN LITHIA is absolutely free from germs and other organic matter. I am buying OTTERBURN in large quantities and can sell it so cheaply that many will use it for general drinking purposes.

OTTERBURN LITHIA is a tonic, diuretic and blood purifying remedy furnished by nature, and thousands will testify as to its medicinal value. Ladies will find that it enriches the blood and improves the complexion to a marked degree. OTTERBURN has long been a prime favorite with physicians, as it is easily retained by the most delicate stomachs. It probably has a larger sale in Raleigh than all other mineral waters combined.
