

"LET SEWALL SCOOT"

That's What Watson Says in a Speech at Dallas, Tex.

"A KNOT ON A LOG,"

"Can't Carry His Family" - "He is a Wart on the Party, a Dead Weight to the Ticket" - He Says He Alone Can Carry Bryan Through.

DALLAS, Tex., Sept. 8. - Thomas E. Watson, vice-presidential nominee of the Populist party, addressed an audience of 5,000 people at the fair grounds. Mr. Watson said in part:

"McKinley and Hobart represent enemies of labor and Sewall represents the something. Sewall is just the opposite of Bryan in everything. He then asked 'that Sewall be pulled down and Watson substituted.'"

"Mr. Sewall cannot carry his own family. [Laughter.] Whenever my own son takes the stump and begins to make speeches against me, like Mr. Sewall's son is doing against him, I will get off the ticket and crawl under a bed and hide myself. Mr. Sewall cannot carry the ward in which he lives. He cannot carry the State in which he lives. He is a wart on the party. He is a knot on the log. [Laughter.] He is a dead weight to the ticket."

"Every man ought to know that if Mr. Bryan is to be elected he will be elected by the votes which the People's party give him. If he carries Nebraska, where he lives, it will be the Tom Watson Populists who will carry it for him [Loud cheering] If he carries Kansas, Iowa and Texas, it will be the Populist who gave them to him."

"And I put it to you, Democrats, if you want our votes, don't you think you ought to 'tote fair' with us? You say let's go into copartnership, but you want to be both partners. We don't want to swallow you, and we don't intend that you shall swallow us. [Great cheering.]"

"If Mr. Bryan is elected the Democrats must realize that it cannot possibly be done without the Populist vote."

"The Populists have gone as far as they could go. We went outside of our party to give a Democrat the first place on our ticket. No self-respecting Democrat could have asked any more. We don't want to destroy the People's party in this country. If I came off the ticket it would mean the death of the Populist party."

"Ask somebody else to kill the people's party, but don't ask me. I sat by the cradle where the party was born. I have fought its battles, I have supported its principles since its organization. I am going to stand by it till it dies, and I want no man to say that I was the man who stabbed it to the heart."

"The people's party must never die. It has done too much good to die. It was the people's party, my friends, that made the Democrats 'come to law.' [Cheers.] We were a coal of fire on the turtle's back and it never had any idea of traveling until it felt the force of the fire. We have been showing them in the last four years what we could do."

"We don't ask the Democrats to throw down their muskets, and when they ask us to give up our guns we say, 'Please excuse us. You keep yours and we will keep ours.' If you had both the guns the temptation to shoot might be too strong to resist. We can't let you get the drop on us that way. If you mean to be fair you ought not to want us to give up our guns. If the people's party were dead the old leaders might get in again, and then where would we be? Just where Moses was when the light went out. 'Sewall's got to come down.' He brings no votes to Bryan. He drives votes away from Bryan. I would bring votes to Bryan and bring thousands of them. Sewall can come down without hurting his party a little bit. I have got to stand on the ticket where my friends placed me. I can't come down. You may try to run me off, but I'm going to fight before you do it. I don't want any Jonah and the whale business, with you playing the whale. You might forget to do what the whale did with Jonah. We might never get out any more. 'Let Sewall scoot!'"

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Balaeman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless your physician knows of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. SAMUEL PITCHER. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government-protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children will be kept well, and that you will have unbroken rest?

Well, these things are worth knowing. They are facts.
