Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else; they bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in cough and colds. Free trial bottle at John Y. MacRae's drugstore Regular size 50c and \$1.

Two Shoes with but a dollar bought, A pair for price of 1

Funny that Shoes that cost \$2.50 to \$3.00 should be selling for a DOLLAR A PAIR, isn't it? Who would think that a eighth of an inch in the width of the toe would make such a difference?

A Dollar a Pair for \$3.00 Shoes.

That's our store and for the rest of the week? It means two-thirds of the cost saved and a little more room for cramped toes, too. Pretty good bargain, don't you think?

SENSIBLE

People are always on the alert to preserve health, for "health is wealth." A rich man once said he would give half his fortune to be able to digest buckwheat cakes. Indigestion is very common. One of the best remedies for indigestion is

Otterburn Lithia Water

Four or five glasses daily will work wonders and improve your general health.

Be on your lookout for typhoid fever. The germs are found in much of our drinking water. OTTERBURN LITHIA is absolutely free from germs and other organic matter. I am buying OTTERBURN in large quantities and can sell it so cheaply that many will use it for general drinking purposes.

OTTERBURN LITHIA is a tonic, diuretic and blood purifying remedy furnished by nature, and thousands will testify as to its medicinal value. Ladies will find that it enriches the blood and improves the complexion to a marked degree. OTTERBURN has long been a prime favorite with physicians, as it is easily retained by the most delicate stomachs. It probably has a larger sale in Raleigh than all other mineral waters combined. Parties furnishing their own containers will be given special prices.
