

Graciously Spoken.
The Charlotte Observer's staff correspondent, Mr. Howard A. Banks, who accompanied the Bryan party on the tour through North Carolina, has the following neat compliment in yesterday's Observer to the Raleigh demonstration:
"At Raleigh the perfection of arrangement and beauty of the spectacular demonstration, the line of torch-lights through which the Bryan party marched to the stand formed the prettiest sight, perhaps, of any North Carolina exhibition. The lavishness of the light that lit the speaker's stand, the comfortable press arrangements, and the excellent police regulations were unsurpassed anywhere before, thanks to the energy of Chief Marshal John Y. MacRae."

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else; they bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in cough and colds. Free trial bottle at John Y. MacRae's drugstore Regular size 50c and \$1.

"THE TRIUMPH OF LOVE IS HAPPY, FRUITFUL MARRIAGE."
Every Man Who Would Know the True Meaning of the Pleasure of the New Discoveries of Medical Science as Applied to Married Life, Who Would Atone for Past Errors and Avoid Future Pitfalls, Should Secure the Wonderful Little Book Called "Complete Manhood, and How to Attain It."
"Here at last is information from a high medical source that must work wonders with this generation of men."
The book fully describes a method by which to attain full vigor and manly power. A method by which to end all unnatural strains on the system.

To cure nervousness, lack of self-control, despondency, etc.
To exchange a faded and worn nature for one of brightness, buoyancy and power.
To cure forever effects of excess, overwork, worry, etc.
To give full strength, development and tone to every portion and organ of the body.
Are no barriers. Failure impossible. Two thousand references.
The book is purely medical and scientific, useless to curiosity seekers, invaluable to men who need it.
A despairing man, who had applied to us, soon after wrote:
"Well, I tell you that first day is one I'll never forget. I just bubbled with joy. I wanted to hug everybody and tell them my old self had died yesterday, and my new self was born today. Why didn't you tell me when I first wrote that I would find it this way?"
If you dumped a cart load of gold at my feet it would not bring such gladness into my life as your medicine has done.
Write to the ERBE MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MANHOOD." Refer to this paper, and the company promises to send the book, in sealed envelope, without any charge, and entirely free, until it is well introduced.
