In order to greet this winter month in a manner befitting its importance to the dry goods trade, we propose to make some prices that will warm the very cockles of the popular heart. We are better enabled to do this because, just now in the great textile markets of the world! concessions are the order of the day. Nobody is in better condition to take advantage of these than ourselves; and what we get we divide with you. Beef market open today at Horton & Lee's.
