Stands at the Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottle at John Y. MacRae's Drug store. [1]

Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out, nervous system to a healthy vigor is electric bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the liver and kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at John Y. MacRae's drug store. [2]

A LOOK AT LINENS.

If the ability to trace an honorable history back into remotest times be deemed sufficient cause for a patent of nobility, Linens must be the blood royal of the textile world. From the first syllable of recorded time they have ministered to the comfort of every class of humanity, from prince peasant. The oldest specimens of woven fabrics now in existence are linen ornaments of Egyptian kings, whose bodies, but for these, would have been dust and ashes for a thousand years. From Babylon to Belfort, LINENS have been an important article of commerce, and from Asia to America they are today the greatest pride of heart of the house-wife. Our line of these is

Complete and Satisfactory

In table damasks bleached and brown, in all widths, patterns and prices. In colored novelties, in all grades of turkey reds and fancier. In all qualities, styles and fabrics of bleached and brown crashes. In all sizes and kinds of plain, fancy, bordered or fringed napkins. In every class, size, weave and design of towels and covers.

We invite the attention and inspection of every person in town, whose ambition is to make their linen collection a pride of their households.
