**Prohibition Before the Legislature.**  
The Biblical Recorder says this week: "The coming general assembly shall say yes or nay on the question of closing the saloons in North Carolina. We say they shall say, because we know the question will be brought before them. It is a more serious question than the election of one set of men or another; it is more important than the question of money standards, for it is a question of the moral standard of the men who, representing the people, represent the state."

### "THE TRIUMPH OF LOVE"

IS HAPPY, FRUITFUL MARRIAGE."  
Every Man Who Would Know the Grand Truths, the Plain Facts, the New Discoveries of Medical Science as Applied to Married Men, Who Would Atone for Past Errors and Avoid Future Pitfalls, Should Secure the Wonderful Little Book Called "Complete Manhood, and How to Attain It."

"To give at last information from a high medical source that shows work wonders with this generation of men."  
The book fully describes a method by which to attain full vigor and manly power. A method by which to end all unnatural habits on the system.

To cure nervousness, lack of self-control, despondency, etc.  
To overcome faded and worn nature for one of brightness, buoyancy and power.  
To cure nervous effects of excesses, overwork, worry, etc.

To give full strength, development and tone to every portion and organ of the body. Age no barrier. Failure impossible. Two thousand references.

This book is purely medical and scientific, useless to curiosity seekers, invaluable to men only who need it.

A deserving man, who had applied to us, soon after wrote:  
"Well, I tell you that first day is one I'll never forget. I was troubled with joy. I wanted to hug everybody and tell them my old self had died yesterday, and my new self was born to-day. Why didn't you tell me when I first wrote that I would find it this way?"

Write to the ERBE MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MANHOOD." Refer to this paper, and the company promises to send the book, in seal, by registered mail, with my name, and entirely free, until it is well introduced.
