At the Head.
 Aug. 7, Bogal, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Aris, writes: "Dr. King's New Discovery is all that is claimed for it; it never fails and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Don't Make Any Mistake.
 There's more money lost in this country by mistaken investments than by any other cause. Wrecks of financial ventures cumber the mercantile ocean and strew the shores of the business sea. There's just one true compass to sell by and just one anchor to trust to. The former is CASH UP and the latter CASH DOWN. That's how we do our business and this is what our business lets us do.
 CARPETS. This has been a great carpet season with us and one might judge that we have already sold our share of carpets, but we'll not be satisfied until we close out the last remnant in this department. Heavy Ingrain carpeting at 21c. The quality is all right, but the patterns and colors are not so desirable. Ingrain carpeting, cotton chain at the very special price of 42c. Extra heavy tweed carpeting in elegant designs and colorings at 57c.
 DRESS GOODS. Our buyer is now in New York buying holiday goods, and half the space now occupied by this department is wanted at once. To effect this result prices have been cut without regard to cost.

The New Store Always Busy.
 The big double glass front indexes the store inside. Selling at smallest profits, we bring the consumer nearer the prime, first original cost than credit stores care to do or dare to imitate. There is "method in their madness" when they do our popular system.
Encouraged by Our Patrons.
 Encounters copiously showered bids us in closer relationship to public favor and nerves us to the greatest work for the smallest pay—in a word, we become public benefactors.
Unsuspecting Victims Sometimes Robbed.
 We never have, do not now, nor never will sell staple articles for less than cost, then charge those unfamiliar with the quantities or ignorance of the values extortionate prices, as some, by duplicity and false representation seek to do. Such is not BUSINESS, but a downright betrayal of confidence—a sharp trick played by some to "keep in the game."
 Mr. Sherwood Biggs is now in New York covering the market for all it is worth in the way of bargains and he has just "struck it right," as great clearing prices are now being made to wind up the year's business. Big invoices of Cloth and Plush Capes, new styles Dress Goods, all kinds of Woolen Underwear, heavy stock Pant Goods, Kerseys and Cambrics have just been received.
 Greatest line of children's Tam O'Shanter's ever displayed in the city, and from the SIGNS before us, we lay claim to the biggest stock of Handkerchiefs in the State.
