Stands at the Head.
Ang. J. Bogel, the leading druggist of Greenville, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Ariz, writes: "Dr. King's New Discovery is all that is claimed for it; it never fails and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century, and it never disappoints. Free trial bottles at John Y. MacRae's drug store.

What is the Trouble?
Why is it that you have not sold the real estate that you have been trying to sell? Probably you have not given McDonald a chance to sell for you. He gives his time and personal attention to selling and buying, he hasn't enough spare time to bother with rents, if you want your property sold give him a trial, he has no objection to your giving it to others at the same time, all you want is a sale and your money, the one who sells first gets your commission, why should you care who gets it, he has made quite a success of the real estate business, and has sold several thousand cents worth lately, if he can't sell there is no sale for it—try him—he may buy it himself.

"A Word With My Friend."
Will any sensible man fail to see the advantage of owning his home, especially when he can get it like paying rent. I have a nice six-room house on corner of Person street and Peace (good garden and well of water) that you can buy for only \$15 per month (some of you pay this much rent). In 100 months the place is yours (no city taxes). You pay no interest—simply 10 payments of \$15 each. I have another four-room cottage on Peace street—garden and well of water—no city taxes—newly covered and painted—\$60.00 per month (some of you pay more rent) and in 100 months it is yours—no interest—if you want a home any fall to take advantage of one of these, you do not want it bad—it is a better way to get it than paying cash. Why? Because you can handle your cash to an advantage and pay for your home in rent—this beats borrowing money to buy with all to pieces. I have two more places on South Bloodworth street (between Davis and Martin—

Went into three rooms each—also large garden—\$40 per month (some of you pay this much rent). In 100 months the place is yours (no city taxes). You pay no interest—simply 10 payments of \$15 each. I have another four-room cottage on Peace street—garden and well of water—no city taxes—newly covered and painted—\$60.00 per month (some of you pay more rent) and in 100 months it is yours—no interest—if you want a home any fall to take advantage of one of these, you do not want it bad—it is a better way to get it than paying cash. In this age of doubt and desert of life there is one oasis where confidence dwells eternal and unfaith never comes. That place is our place. Day by day we make vigorous proclamations, and day by day the people try us. As Sam'l. of Passen, says, "All we want is a chance." Give us that, and we will give you bargains which you will remember when you are grandmothers.
