Campbell, merchant of Ariz, writes: "Dr. King's New Discovery is all that is claimed for it; it never fails and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." RIGHT TO THE FRONT.

The little folks and big ones too think Santa is showing partiality by joining us in co-partnership, or consider us very ambitious in trying to do the holiday trade of the city. If we don't outdo the best, it will not be for want of assortment and variety or littleness of prices.

BLANKETS.

Were you cold last night? If you did not have plenty of good warm cover you must not have been comfortable.

We have an elegant line of the softest, warmest, cosiest blankets to be found. Prices were never so low as now. We have a new lot of those famous "Household Blankets" made at Elkin, this State, \$4, \$5, \$7 and on down to 2 00, 1 50, 1 00 and 75c a pair.

CARPETS.

No floor covering so warm and comfortable as a good carpet. A great deal of comfort costs you but little in our carpet department just now. Carpeting a room is very little trouble now. All you have to do is to select what you want, we do the rest, and no extra charge. Prices 25, 35, 45, 60, 75c the yard.

BOOKS.

What is more pleasing or more useful for a child than an interesting and instructive book? We have hundreds of bright, beautiful books suitable for all ages, beautifully illustrated. Prices are wonderfully low—1, 3, 5, 10, 15, 20, 25, 35, 50, 75c and \$1.

GAMES and BLOCKS.

Blocks and games from the cheapest to the best, some new ideas in these and the prices are but little more half of last year's. These are instructive as well as amusing.

Children
