Stands at the Head.
 Aug. J. Fogel, the leading drug-
 gist of Shreveport, La., says, "Dr.
 King's New Discovery is the only
 thing that cures my cough, and it is
 the best seller I have." J. F. Camp-
 bell, merchant of Ariz., writes: "Dr.
 King's New Discovery is all that is
 claimed for it; it never fails and is a
 sure cure for consumption, coughs
 and colds. I cannot say enough for
 its merits." Dr. King's New Dis-
 covery for consumption, coughs and
 colds is not an experiment. It has
 been tried for a quarter of a century,
 and today stands at the head. It
 never disappoints. Free trial bot-
 tles at John Y. MacRae's drugstore.

Every face at home and every glance
 upon our counters suggests the question,
 "What shall I get or give for Christmas?"
 The answer to the first depends upon the
 love and liberality of your friends, the second
 upon your own means and generosity. Let
 fate and friends look after the get, you look
 after the give; that's the part most blessed.
 Remember that a little given with love is
 more than much given because you can. Our
 place is just now budding with the wealth of
 solidified happiness. Tomorrow it will burst
 into glorious bloom. The Christmas spirit
 pervades the entire store. Holiday goods
 are appearing on every side. Toys are here
 in abundant quantity; each passing day
 makes the collection richer and more com-
 plete. The book department is rich with
 gift books, Christmas cards and booklets; the
 furniture department abounds in small, beau-
 tiful pieces of Oriental furniture and Japa-
 nese fans for gifts; the fancy goods department
 has leather goods, toilet and manicure sets,
 collar and cuff boxes and many bright and
 beautiful things from the best markets of the
 world.

 gift to some valued friend? The collection awaiting you in the carpet de-
 partment has claims on critics at prices that will charm the economical.
