

The Greenboro Record of Saturday says:  
 Mr. J. H. Mills, of High Point, passed here last night with the remains of his eldest daughter, Miss Mary, who died Thursday night in Southfield.  
 Some weeks ago Miss Mills went on a visit to the family of Jas. H. Pou at Southfield, Mrs. Pou being a relative. She took typhoid fever which soon developed into an aggravated form and all the best medical skill and attention seemed of no avail.  
 The deceased was about nineteen years of age and was a genial favorite with all who knew her and a devoted member of the Methodist church.  
 At Raleigh Mr. Mills was joined by another daughter, who is attending Peace Institute. Her grief was terrible.

Vicksburg and Newport launched.  
 The new gunboats, Vicksburg and Newport, were launched from the yards of the Bath Iron Works Saturday afternoon.  
 The gunboats, Vicksburg and Newport, are vessels of an entirely new type, so far as our navy is concerned.  
 The Vicksburg and Newport are sister ships of 1,000 tons displacement, drawing 12 feet of water, 168 feet long by 36 feet beam and will cost \$229,400 each.

 When your blood is pure, rich, and nourishing for nerves and muscles. The blood is the vital fluid, and when it is poor, thin and impure you must either suffer from some distressing disease or you will easily fall a victim to sudden changes, exposure, or overwork. Keep your blood pure with Hood's Sarsaparilla and be well.
