**We Swept the Deck.**

The never while last week bought all the suits two of the cleverest manufacturers had on their floors. There about 400 of them in all. These suits were made up in anticipation of the re-orders that always come in the wake of a busy season. The weather kept far too cool for these orders. Beginning tomorrow morning you can take your choice of this line of \$7.50, \$8.50, \$9.00 and \$10.00 suits for

**Six Dollars.**

These are the suits that come in our recent great purchase and are marked \$6.00. We had the cash and the courage, two mighty levers that may aid us to take such a step. It is without parallel. The suits are all fresh, brand new, without fault or flaw, in all the latest fashionable effects. We give you the same assurance of satisfaction as if they were bought first this spring and at \$3 to \$4 more a suit. Sizes are from 34 to 42. The man who permits this opportunity to pass is blind to his own best interests. We are proud of the achievement; it is your time to turn it to good account for yourselves. Just think of it, in the very morning of the season, when you are on the point of buying, these hundreds of suits that are worth from \$7.50 to \$10 are placed at your disposal at a price that mocks the value—\$6.00.
