**BRIEFS.**

Mr. H. J. Young went down to Littleton this morning.

The Southern vestibule train was several hours late today.

Mr. F. H. Dorsey, Jr., of Portsmouth, is in the city visiting relatives and friends.

It is feared that a well known herd of cattle at one of the big farms near Raleigh is being examined for tuberculosis.

It is not thought that Capt. Chas. D. Hearty will accept the position of assistant chief of police to which he was elected last night.

All the banks of the city will be closed Monday in honor of Memorial day, which is a state holiday.

Justice Montgomery of the Supreme Court will make a talk at Murphy School on Monday at 1:15 o'clock, describing to the scholars interesting incidents and scenes of the war and the part taken by the North Carolina soldiers.

The members of the Ladies Memorial Association, the Daughters of the Confederacy and all who feel interested are requested to meet at Metropolitan Hall, Monday morning at 9:30 o'clock to assist in decorating the hall.

Chief of Police Norwood will probably take the oath of office Monday. His bond of \$5,000, which is given by a Baltimore surety company will probably reach here by that time.

In the window of the store of Mr. W. C. Stronach today was to be seen a beautiful painting representing a Confederate camp scene. It is a splendid piece of art and is the work of Miss Miriam Seawall. The picture is true to life and will be on the stage during memorial exercises Monday.

It is earnestly desired that all who have flowers to spare will send them to the hall early Monday morning so they can be arranged for the ceremony. There are now about seven hundred graves to be decorated and a great many flowers are required in order that each hero may have his afterglow Memorial Day.

The public school children will take part in the memorial day exercises and will constitute one of the prettiest features of the occasion. It is hoped that all parents will encourage their children to attend and will see that they do so. The songs sung by them will be "Dixie" and the "Hymn of the Dead."

The Ladies Memorial Association has decided to engage only one carriage for Memorial Day which will be used for the orator and chaplain. Carriages will be at the door of the hall and arrangements have been made with the hackmen so they can be secured at moderate prices. It is earnestly desired that as many as can will go in the procession to the cemetery to assist in decorating the graves.

If the system is fortified by Hood's Sarsaparilla, which makes rich, red blood, there is little danger of sickness.

**BUSINESS ITEMS.**

Pretty Labels  
don't make good crackers. It's the best of materials worked by the best obtainable skill that makes Fox's XXXX Square Wafer Butter Crackers the best on the market.
