

A Handsome Compliment to Raleigh.

The Baltimore Manufacturers Record, referring to the recent hand book published by the Chamber of Commerce of Raleigh, says:
"Raleigh is situated in the center of the State on elevated table land, on the direct line of the Seaboard Air Line railroad, the Southern railway and within a few miles of the Atlantic Coast Line system, within fifteen hours of New York. It is one of the most desirable winter homes for Northern and New England health and pleasure seekers, having excellent hotels and private board, with all modern comforts and conveniences, including water works, sewerage, electric and gas lights, electric street cars, telephone and telegraph systems, paved streets, etc. For further description read the brochure now being distributed by the Chamber of Commerce and Industry."

Was Soon Feeling Better.

For three years I was troubled with my heart and liver. I was run down in health and could hardly walk. I was so weak. I tried many medicines and finally bought a bottle of Dr. King's Sarsaparilla. I was soon feeling better, and after taking a more bottle I was strong and able to work.

Dr. King's New Discovery for consumption, coughs and colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. A Sour Subject.

Vinegar. And yet how important at this season of the year when so much is being used. You do not want to incur any risk to your health by using cheap stuff made of chemicals called vinegar. Such stuff is not cheap at any price. The best all round goods is made of pure apple cider, and allowed to stand long enough to become strong with rich mellow flavor that nothing but age can impart. Last summer we advertised and sold pure

guaranteeing satisfaction. Not a single complaint was heard. Such evidence is inspiring to us and should be sufficient proof to all that it is genuine.

We Now Come to You

in a business way and offer you this pure old apple vinegar at 35c per gallon. If it does not suit you, return it and get back your money, or if you make pickles with it and it fails to keep them we will refund to you the cost of the vegetables as well as the price paid for the vinegar.
