To the Public.

A few days ago I announced that having purchased the interest of my former partner in the North Side Drug store, I would close out the entire stock within the next 30 or 60 days. Since I have assumed charge of the business, however I have had reason to change my plans, and beg now to withdraw my former an-nouncement, and to state that I will continue to serve my friends and

patrons as heretofore. Mr Birdsong, whose carefulness and skill has built up so satisfactory a prescription trade will continue in

charge of that Department. A fuller and more complete stock of goods will be carried than ever before, and no pains will be spared to make the service of the North Side as heretofore, first class in every particular. july2 3t

\$4.50 Crash Suits for \$3.50

If you are going to buy a Crash Suit this is the week and here is the place to get it. The story is short. Our buyer made a mistake in buying about 200 suits (of these our most popular suits) too many. Everybody knows that the season for Crash Suits opened over a month later this year than usual, hence we are going to sacrifice our profit for one week on as many suits as you want. Among the lot are about 20 suits that we had made late last season to sell at \$6 this season. We marked them \$4 50 for this week. They have to stard the same reduction. You buy them at \$3 50.

This sale started Monday morning and ends Saturday night if the suits hold out: if not, we reserve the privilege to stop the sale at any time. Sizes from \$3 to 50. We can fit all sizes of men.

Orders through the mail will have the attention and the same reduction holds good, provided they are accompanied with the cash.
