a to the Press-Visitor. dag, Va., July 17-Great ent was created on Main A today by H W Crichton, a Slored barber, firing both barrels of a shot gun at John W Wilson, also colored. Both shots missed Wilson but it is a miracle that somebody else was not struck. Many of the shot took effect in an inside wall of the First National Bank, but fortunately nobody was hurt. The cause of the shooting was charges preferred before the school board by a committee, of which Wilson was chairman, reflecting on one of Crichton's daughters, who is a teacher in the colored schools.
