Charles Coote, a well-known actor, died Sunday night at No. 138 Fifth avenue, New York. He was born in Aberdeen, on January 5, 1858, and belonged to the Coote family, which was famous in the history of Ireland.

It seems that the provision of the tariff which imposes an extra tax of 10 per cent. on goods imported through Canadian ports was inspired by Senator Elkins and inserted by Senator Allison's agency, though the latter, like Speaker Reed and the rest, is supposed to have been unaware of the nature of his work in this case.

The Chicago police force has pitted its strength against the power of hypnotism. Chief Kipley and his men acting as they said, "in the interest of humanity," sought to prevent an exhibition of a seven days' hypnotic sleep given at a North Side hall and succeeded, but not until they had called upon the "professor" to release the subject from his mesmeric influence.

the lieutenant proceeded to shake Burg and pinch his ears and slap his cheeks, but to no avail. Next he tried a trick that has seldom been known to fail. He thrust his thumb under Burg's armpit and gave a series of hearty pinches, but the motionless form gave no sign of life.

Then with a few mysterious passes and a snap of the fingers the hypnotist released the subject, who came back to consciousness. Chief Kipley says that in future no permits for exhibitions of the kind will be granted.

We guarantee that one glass of Harris' Lithia Carbonated Water will relieve any case of indigestion in one minute's time or money refunded, or if taken after each meal will cure any case of indigestion. Read what the noted Dr. Davoga, of Chester, S. C., has to say for it:

DEAR SIR—For the past eight months I have been using Harris' Lithia Water, with the most excellent results, where I have been able to get my patients to drink a sufficient quantity daily. The Carbonated has no equal in Gastric disturbances. In old chronic dyspepsia if you will wash the stomach with salt and water, and have an hour later have your patient drink the Carbonated Lithia you will make many friends and improve many stomachs. It is an excellent laxative, and is a sure cure for flatulent dyspepsia.
