Verdict of the Jury.

Life Saturday evening the coroner's jury in the case of the death of the young child, Ben Howard, brought in a verdict that the child came to its death by falling out of the cradle. The verdict exonerates the girl, Lela Smith, and she was dismissed from custody. The girl claimed all the time that her brother had kicked the baby out of the cradle and that in falling it had struck its head against a wall. The brother on the other hand laid the blame on his sister by charging her with using a stick of wood on the baby's head.—Winston Journal.

Impure Blood in Spring.

This is the almost universal experience during winter. It leads to colds, coughs and influenza, and some of the causes. A good spring medicine, like Hood's Sarsaparilla, is absolutely necessary to purify the blood and put the system in a healthy condition at this season.

Hood's Pills are the best family cathartic and liver tonic. Gentle, reliable, sure.

Free of Charge to Sufferers.

Cut this out and take it to your druggist and get a same bottle free of Dr. King's New Discovery, for consumption and colds. They do not ask you to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular use of this. This is no experiment, and would be disastrous to the proprietors, did they not know it would invariably cure. Many of the best physicians are now using it in their practice with great results, and are relying on it in most severe cases. It is guaranteed. Try a bottle from any drug store. Regular size 50 cents and \$1.00.

Resolution of Firm.

Notice is hereby given that the firm, composed of L. P. Sorrell and J. T. Holloway, has been dissolved by mutual consent, and J. T. Holloway is authorized to receive all payments due the firm and he will also pay any indebtedness the firm may have. L. P. Sorrell, Raleigh, Feb. 6, 1898.

SCROFULA

It is Foul Blood's Advertisement. But it is Soon Cured by Hood's Sarsaparilla.

Yes, Scrofula, if anything, may be called the advertisement of foul blood. It is the scourge of the world—effluvia, painful, debilitating, stubborn and well nigh incurable. Outward applications do not cure, they only drive the difficulty to new quarters. Emollients may palliate, they cannot abolish the evil. There is but one sure way out, and that is to eliminate the taint from the blood.

There is one remedy that can effect this, and it is the only one that, so far as we know, has almost invariably succeeded—even where the system has been poisoned by long years of taint, and the rages to be repaired are tremendous. That remedy is Hood's Sarsaparilla. Read this:

"My daughter was afflicted with impure blood. There were running sores all over her body and they caused her much suffering. We tried medicines that were recommended as blood purifiers, but could not see that they did any good. A friend told me about Hood's Sarsaparilla and I began giving the girl this medicine. The result was that she was perfectly cured after taking a few bottles. She has had no symptoms of scrofula since that time." MARIETTA M. SMITH, South Middleboro, Mass.

Hood's Sarsaparilla

Is the best in fact the One True Blood Purifier. Just upon Hood's, take no substitute. Hood's Pills are not recommended with Hood's Sarsaparilla.
