Condition Than Under Weyler. By Telegraph to the Press-Visitor. Washington, Feb. 23.—Consul-General

Lee has reported to the President that anothemy is a dismal failure. The report which is detailed and elaborate shows that Spain has failed utterly in its effort to provide a new government and that the conditions so far as the civil government is concerned, are even worse off than when General Weyler's potentiality was the dominating force. ANOTHER DEATH AT PEST HOUSE

Charlotte Nessa. Harvey Perkins, the old negro man

who was found on the road-side about three miles from town some days ago, suffering from a severe type of smallpox, died at the pest house to the south of the city yesterday afternoon shortly after 4 o'clock. News readers will remember that Perkins halled two young men who were out bicycle riding and told them of his malady. They at once came to down and reported the fact to the board of health. Dr. F. O. Hawley pronounced the disease small-pox. He diagnosis of the case was subsequently confirmed by Dr. Wertenbaker, the Marine Hospital expert. As soon as Chief Orr learned of Per-

kins' death, he had a grave dug in the woods beyond the pest house, where the body was buried late yesterday after The other cases at the pest house are

getting along as well as could be expected and the physicians think that they will all recover:
