In and Around the City.

County politics booming up considerably already.

Now for the cattle show. It promises to be a great event.

Cotton is coming up nicely along the line of R & G R R.

A million or more tobacco plants were set out yesterday and today in Wake county.

Important meeting of Manteo Lodge tonight at 8 o'clock sharp. Important business.

Work is progressing admirably in Pullen Park, and, it will at no distant day be one of the loveliest spots in the State.

Don't forget the Governors Guard fair and festival. It will be open every night during the week. There is lots to be seen there.

The Independent Hose Reel Company, of this city, decided last night to send a running team to Charlotte the 20th of May.

The regular monthly meeting of the Relief Society of Christ Church will be held in the Chapel at 5 o'clock tomorrow afternoon.

Messrs Barbee & Pope have a fine display of fruit today. Their Aspinwall Bananas are indeed a luxury, the finest we have tasted this season.

One of the pupils at the colored Deaf and Dumb Asylum died last night and was taken to Merry Oaks today for interment.

The annual reunion of the Phi Kappa Sigma Fraternity, will be held in the Chapter House at Chapel Hill, June 5th. All the alumni are cordially invited to be present.

Arrangements are fast being perfected for the meeting of the Teachers Assembly at Morehead City. The building will be painted and other improvements made.

The Knights of Pythias will be on hand at the Governors Guard fair and festival tonight in full uniform. A large crowd is expected. Let everybody attend.

Jos A Hoskins, sheriff of Guilford county, settled his State taxes in full with Treasurer Baine today, paying in \$15,538.10. This is also one of the May counties.

Frederick Clifford who was sent to jail yesterday from the Mayor's court with request to hire out for contempt was sent out to the work house this morning to work upon public roads.

That unsightly fence around Moore Square; how long must we wait before it is removed? Its removal would add so much to the appearance of the square. We are really at a loss to know why it has not been removed long ago

The contract for building the mechanical department at the Agricultural and Mechanical College awarded to our fellow townsmen, Messrs Ellington, Royster & Co, was signed on yesterday, and work will begin at once.

The big oak which stands on Moore Square just opposite the residence of W T Mabry, Esq, has been dead for some time. Why is it permitted to remain standing? Will Capt Blake, Street Commissioner kindly look after the matter and have it cut down and taken away.

Another lot of fine apples. Barbee and Pope.

David Avera, Esq, of this city, while having his garden spaded up on yesterday morning, his man spaded up a large sweet potato in a perfect sound condition. This is something remarkable. The winter just past has been so very mild, the earth did not freeze a sufficient depth to injure potatoes left in the ground.

Let memorial services be postponed until Monday next, thus giving our people generally, an opportunity to participate. If the ceremonies take place on Saturday there will necessarily be a slim turn out. Most of our people favor the change, and we can see no good reason why it should not be made.

The funeral of the late D W Crocker, Esq, will be preached at the Methodist Church, at Garner, Wake county, the first Sunday in June next. Masonic ceremonies will take place immediately after the funeral. Brethren of sister lodges are cordially invited to attend and participate in the ceremonies.

Why not have Sam Jones in Raleigh? We have been informed that for only a few hundred dollars, Stronach's warehouse could be enlarged so as to give comfortable seating capacity for four or five thousand people. We believe the money could be easily raised and are satisfied Mr Stronach would willingly allow it to be used for that purpose.

Valuable Acquisition.

It is announced that during the summer Justice Shepherd, of the N. C. Supreme Court will be associated with Prof. Manning in the conduct of the Law School, at Chapel Hill. This will be a most valuable acquisition.

Attention Governors Guard.

You are ordered to meet at your armory tonight at 8:30 o'clock in full dress uniform for prize drill. By order of the captain.

S W HERWIN,
Sergeant.

Getting on Well.

On Monday morning last, in accordance with the previously arranged programme, Messrs M A Parker, C F Harvey, E L Fleming, S H Crocker, D F Fort, N A Spence and N N Bunch, constituting the great fishing party for Village Creek, mention of which has heretofore been made, left the city. At last accounts they were "all right" and will doubtless have a good time.

The editor of the VISITOR, who intended to have gone with the party, was prevented from so doing by matters of a business character and circumstances of an individual kind which is deeply regretted.

An Interesting Coon.

Mr "Dan" Harris, on East Martin street, has for some time had a most interesting coon. This morning at 8 o'clock it died and was buried this afternoon at 3 o'clock. It was perhaps the most interesting coon that has appeared in this country since the old Henry Clay days of "coon skins and hard cider." He was captured about seventeen miles from Raleigh, and at the time of his death was about 12 months old. He was well broke to a wagon and could pull fifty pounds anywhere. He was exceedingly fond of children and especially fond of young ladies. He liked to set in young ladies' laps and be petted. He was loved by all who knew him, being always ready for play. When hurt, he would sit down and cry like a child. He looked as if he could almost speak when he wanted anything. He wanted to play with every dog he saw and would walk up to an old coon dog and banter him, but no dog would even so much as bark at him. He was, indeed, a wonderful coon.

The Popular Department.

We are exultant over the great success of our new department of Bargains and Undervalues. It is bringing us daily many new friends, and we are delighted accordingly. Our efforts to give exceptional values, have been so appreciated that it has urged us to strive to do even better. New attractions every day.

Cash before delivery is a phrase which sounds rather harsh to a man seeking to buy good, but when he sees a saving of 25 to 40 per cent his natural desire to save all the money he can, removes any sting which it may cause and he becomes a most ardent admirer of the philosophy which knows no friends, but in cold, silent letters announces that the merchant has cast aside his credit ledger and would sooner keep his goods than to sell them without the hard equivalent which moves the wheels of commerce, and provides all the necessities and luxuries which the human race demands. Cash on delivery has ever been our motto and to this motto we attribute what success we may have attained. We desire to call your attention to our great bargain for this week: 50,000 ladies straw hats, all shapes, at only 25c for your choice. This is the biggest bargain in straw hats ever offered in Raleigh. Cash on delivery in buying and selling enables us to place before you this line of goods that has never been and will never be again equaled in quality and price. Ladies, look at them. It is immense, at SWINDELL'S.
