LARGEST CITY CIRCULATION.

In and Around the City.

Now for the grass widower's club.
Regular meeting of Ruth Lodge, No 4, this evening at 8 o'clock.
Let our people patronize home resorts.
Blackberry pies the proper thing just now.
Save your small change for the 4th of July, and let us have a glorious time.
There is any amount of talk about a belt road around the city. Hope it will not end in smoke.
Won't there be some grand old time political button-holing between now and Saturday next?
State Board of Agriculture meets tomorrow afternoon at 4 o'clock in the Agricultural building.
Yesterday was one of the hottest days felt in this section for a long time.
The stay-at-home crowd are consoiling themselves with the out-look for a grand fourth of July celebration.
Grocers: keep the flies out of your molasses measures by getting Pannill's patent measure drainer at Hughes'.
The Norfolk excursion next in order. It will be a splendid opportunity to visit the seaport of the Old Dominion.
Don't forget the lawn party at Brooklyn church tomorrow night. It will be a most enjoyable time, and the object is a good one.
The sanitary officers will go on their rounds again tomorrow. Look after the outhouses and see that they are in proper condition. This will avoid much trouble.
The fishing season is now at its full height at Morehead City, and the guests at the Atlantic Hotel are daily increasing. A most prosperous season is anticipated.
State Horticultural Society will hold a grape fair at Mount Holly, Gaston county, July 30, 31 and August 1st. There are \$325 cash premiums offered. Let every one who possibly can, attend. You will enjoy it.
We hear that a drug store will be opened in Rolesville, this county on the 16th inst, and will be known as the "Blind Tiger." Strange name for a drug store; wonder what they intend to sell?
We regret that the announcement of services at the Baptist Tabernacle Church yesterday, were unintentionally omitted in our notices last Saturday afternoon. We will endeavor to avoid such an oversight in the future.
If you want to enjoy the most delightful breeze imaginable, just wend your way to Pullen Park about 7 o'clock in the evening. Go in the round house on the hill, pull off your coat, take off your hat, and you can well fancy you are amid the mountains of the Old North State—fact.
There will be a regular meeting of Manteo Lodge, No 8, I O O F, tomorrow (Tuesday) night at 8 o'clock. Work in the second and third degrees. A full meeting is most earnestly desired as matters of importance will be brought before the lodge. The degree staff of the lodge will please take notice.
Rev. Thomas Dixon, who lectures in Charlotte tonight, preached in the Tabernacle last night to a tremendous crowd. The Tabernacle was secured on account of the almost universal desire of the people to hear the distinguished young divine. At the hour for the services at the Tabernacle there were no services at Tryon Street Methodist and Baptist churches and the Second Presbyterian church.

It was said by an observant gentleman yesterday, that there were prettier pleasure vehicles, and more of them, in Raleigh, than in any city of its size in the South.
The bridge at George Lane's, on East Davie street, is in a dangerous condition. We hope the proper authorities will give it attention at once.
Our friend Tobe Marshall has painted the fountain and also whitewashed the tree in front of the market house making them present a handsome appearance. Tobe is a most energetic officer in all respects.
Let all who leave the city for pleasure, health or business, subscribe to THE VISITOR, and thus find out what is going on at home. There is no better or cheaper medium. Remember, the paper is mailed to your address for only twenty-five cents a month.

Masonic.

Hiram Lodge, No 40, A F and A M, will meet in regular communication this evening at 8 o'clock. As there will be work in the second degree a full meeting of the membership is earnestly requested. Brethren of sister lodges cordially invited.
E B THOMAS, Sec.

Loan Association.

On Saturday night last, a local board of the Old Dominion Building and Loan Association, of Richmond, Va, was organized in this city. The following officers were elected:
President, Dr V E Turner; Vice President, Mr B R Harding; Secretary and Treasurer, F T Ward. Directors, Messrs C B Edwards, A Q Holladay, W H Hollaway, Wm Cram and John Ward. Attorney, C M Busbee, Esq.

Improved Butter.

Very careful calculations show that during the year ending September 30th, 1888, 53,317 pounds of butter were brought to Raleigh from points outside of the State. Nearly twenty seven tons were thus imported into one city in a year. There must have been during the year hundreds of tons bought by our people from without the State. There is great need for home production to supply our own demands. The Experiment Station proposes to foster the dairy industry and aid in its development, so we will not need to purchase from abroad. Of the above amount 35,060 pounds were used here in the fall and winter months, 18,257 pounds in the spring and summer months. By the aid of ensilage it will be possible to feed economically in the winter months, and to supply the larger need at that time. The Experiment Station will commence interesting experiments in this line.—H B Battle.

Keep Up The Interest.

The soliciting committee for the 4th of July report most encouraging progress, and, it is now assured that if the different railroads will aid in the matter of cheap rates, we will have a celebration, of which all our people may well be proud. It has been several years since Raleigh has had such a celebration as should be expected of the Capital of the State, but now there seems to be special interest manifested on all sides, and we may look for a fine time. It is the intention of the committee of arrangements to see to it that the display of fire works shall be in all respects a grand success. Nothing now seems to be lacking but a co operation of the railroads, and surely there should be no difficulty on that score. The joint committee will meet tonight, and we most sincerely hope that there will be a perfect understanding so that everything can be perfected. The people are now ripe for a glorious celebration of the birthday of our nation, and they intend to have it if possible. Keep up the interest.

Fresh corned Mulletts; first of the season at TERRELL & MOSELEY'S.

Personal Mention.

Miss Janet Andrews is visiting friends in Baltimore.
Miss Ora Yearby, of Durham, is in the city, the guest of Misses Helena H Horner and Flora Edwards.
Mr Ed Sholar and Mr Ed West have gone to Tennessee. Both of these young gentlemen will make that State their future homes, Mr Sholar having taken a position with a Nashville house, and Mr West going into business at Knoxville. We wish them the greatest success, but deeply regret to see our young men under the necessity of leaving us.
Mrs L Branson left this morning to visit her daughter at Battleboro, N C.

We are glad to note that Gov Fowle is out today after three days' sickness.

Rev Dr Durham returned last evening from Olive Chapel where he preached the dedication sermon on yesterday. He says it is one of the prettiest country churches he has seen. A large congregation was in attendance. The church is out of debt and has bright prospects for future usefulness. This handsome church was built by Mr J B Massimore, who is now foreman of Thomas H Briggs, contractor and builder.

Mr Hal Ayer went down to Morehead City today with the teachers to represent the State Chronicle during the Assembly. Mr Ayer is a most energetic journalist, and will doubtless give the public a most admirable account of the proceedings. We wish him an enjoyable time.

The Churches Yesterday

At the Baptist Tabernacle Church Sunday school there was a large attendance and the interest is increasing. There were nine new scholars. A committee was appointed, to arrange for a Demorest medal contest to take place in the near future. These contests are, in our opinion, very helpful and interesting. Rev Dr J J Hall preached very able sermons, both morning and evening, to large audiences. At the morning service three members were received into the church, one by letter and two by experience and baptism. This church has a constant and steady growth, we are glad to say, under the ministry of Dr Hall.

At Edenton Street Methodist church the pastor, Rev Dr J H Cordon, preached fine sermons, morning and night. There were large congregations.

The congregation at the First Baptist church was unusually large, and Rev Dr J W Carter preached two able sermons, morning and night.

At the First Presbyterian church Rev Dr J S Watkins preached with his usual power to a large congregation, in the morning and evening.

At the Christian church Rev J L Foster preached to large congregations, morning and night.

Rev Dr L L Nash delivered two fine discourses at the Central M E Church to large congregations.

At Christ Church and the Church of the Good Shepherd the usual impressive services were held.

Several Precedents.

Ex-Governor, Curtis H Brogden is one of the census enumerators for Wayne county. The Ex-Governor seems to be following in the footsteps of several illustrious gentlemen. For instance, John Quincy Adams held several minor offices after his retirement from the Presidency. President Tyler, after his term of office expired creditably filled the position of overseer of roads for Charles City County, Va, and, if we remember right, our distinguished fellow citizen, Hon Geo E Badger, after having been Secretary of the Navy and United States Senator, served his people as a Justice of the County Court of Wake.

We mean orders from our advertisements of those 3 cent lawns, 5c challies and 2 1/2c grenadines. We don't suppose there was ever any kind of goods sold in Raleigh that was any account at all for 3c a yard before these. These goods are all strong and durable and look just as cool and neat as any 17c goods. In fact, they are nicer for summer wear. You remember in Saturday's paper we told you about a small lot of lace curtains we had just got in and which we were selling for only \$1 a pair. We have 18 pairs of them left and tomorrow will be the last opportunity you will have of buying the cheapest and best curtain you ever saw. They are worth from \$1.50 to \$5 per pair in any store in America, and we sell your choice at only \$1 for two, or a pair. You have never seen anything as cheap in your life.
