In and Around the City.

List your taxes.

Boom up the Soldier's Home.

There was another thunder storm last night.

Treasurer Bain paid off the penitentiary force.

Another crowd of teachers passed here today on their way to Morehead City.

We hear the question frequently asked, "what has become of the Chamber of Commerce and Industry?"

The Seaboard Air Line will sell reduced rate tickets for the 4th of July. They will be placed on sale on the 3rd and 4th of July, good to return until the 7th inclusive.

Are you aware that unless you list your taxes, your property will be returned as unlisted, and you will be subject to double tax?—fact. Go and list at once.

The pen is mighty, though 'tis small,
But ink has made its fame,
The scissors needs no ink at all,
But gets there just the same.

Mayor Thompson only had one case to engage his attention today; one party drunk on the streets 13 hours in station house.

The will of the late George W Haywood, of Greensboro, Alabama, was admitted to probate yesterday, A W Haywood, Esq, and Dr F J Haywood, executors.

Gov Fowle today made a requisition on the Governor of South Carolina for Roger Powell, who is wanted in Granville county, to answer a charge of larceny.

The board of trustees of the college of Agriculture and Mechanics Arts and board of agriculture held a joint session today. At the time our report closed we were unable to obtain proceedings.

We called at the office of Jos E Pogue today, and saw from actual count, that he had made out thirty six bills of lading of shipments of his tobacco, and every order of the thirty six was for one or more boxes of his famous tooth pick brand. We are sure that no manufacturer can beat this in one days business.

The Grand Lodge of Knights of Pythias met in Durham yesterday. They have extended an invitation to the two lodges in this city, Phalanx and Centre, to pay them a visit to-night. We learn that quite a number of both lodges will go on a special train at 7 o'clock this evening. We trust every member will go who can.

The board of trustees of the college of Agriculture and Mechanic Arts have authorized a small expenditure of money, for the purpose of establishing a canning industry, the purpose of which is to supply the college with its own canned fruits. This is in our opinion a move in the right direction. The board also authorized the purchase of an organ for use, in the college chapel. We are also glad to note this, for it was badly needed.

The N C State Dental Association will meet in Wilmington, June 25th. The officers of the Association are: President—Sid P Hilliard, Rocky Mount. Vice-Presidents, G W Whitsett, Greensboro, W G Conrad, Winston. Treasurer—J W Hunter, Salem. Secretary—H C Herring, Concord. Dr J H Durham, of Wilmington, is chairman of the Executive Committee.

If you want to make your boy happy, interest yourself in a fishing frolic with him and get him a suit or flannel shirt at Whiting Bros, and you will be surprised how little it takes to please a boy.

Railroad Taxation.

At a meeting yesterday of the chairmen of the boards of county commissioners of the counties through which the Raleigh and Augusta Air Line Railroad runs, the valuation was placed at \$1,200 per mile instead of \$2,300 as heretofore. The following chairmen were present: Capt B P Williamson, of Wake; Peter McRae, of Richmond; W H Hatch, of Chatham and Dr John Shaw, of Moore.

Give a Guess.

We will give a subscription to the VISITOR of 6 months to any person who will guess nearest to the population of Raleigh as returned by the census enumerators this year. We will also give a 3 months subscription to any person who will guess nearest to the population of Raleigh Township. Estimates should be sealed and sent directed,

"EVENING VISITOR,"
Raleigh, N C.

Teachers' Assembly.

This body of educational workers is now in session in Morehead City, and we are pleased to note that the attendance is much larger than ever before. It is estimated that at the Atlantic Hotel there are nearly five hundred members representing Virginia, South Carolina, Georgia Tennessee, Kentucky and North Carolina. The exposition is pronounced to be highly creditable in all respects. The Agricultural and Mechanical College and Peace Institute, of this city, have fine exhibits of workmanship and art. The "model school" is particularly attractive. All the signs are that the session will be the most interesting yet held.

Knights of Pythias.

The Grand Lodge of this order met at Durham yesterday. The Durham Sun says:

The Grand Lodge, with the Durham Lodge, assembled at Hotel Claiborn, and at 10 o'clock this morning marched to the Commonwealth Club rooms, where they were met by a number of members of the Club and welcomed to Durham.

The President of the Club, Mr J S Carr, called the meeting to order and made a few appropriate remarks, alluding to the order in a very handsome manner, after which he introduced Mr J S Manning who delivered a short address of welcome.

To this, Grand Chancellor Meares replied in behalf of the Grand Lodge.

The representatives present from Raleigh are W C Cram, J T Nottingham, W W Wilson, W H Bain, J C Dewar, W G Separks, Jno Ward, F Ward, C W Lambeth, F W Sherwood.

A Wake County Man Abroad.

We are in receipt of a very interesting letter from Mr S H Crocker formerly of this city, where he was engaged in the establishment of Messrs Spence Bros. The letter is dated from Denver, Colorado. Mr Crocker left here a short time since, and says he had a very pleasant trip through Arkansas, Texas and New Mexico. He is delighted with Denver, stating that it was far beyond his expectations. He says he met with Mr Logan D Terrell and Mr R S Wynne, formerly of Raleigh, who gave him a cordial welcome. He was invited to the home of H H Harding, formerly of Eastern North Carolina, where he was delightfully entertained. He also met Chas Ward, a former resident of Raleigh, now a popular druggist of Denver, who extended the utmost courtesies.

Mr Crocker writes in glowing terms

about his trip, especially noting the kindness he received at the hands of the people generally. He expects to return to North Carolina shortly, and will doubtless give a most interesting account of all he has seen and heard of the great western section of our country. We wish him a most pleasant time, and, no doubt from the tenor of his letter he is enjoying himself to the utmost.

Personal Mention.

We are glad to announce that Mr W T Rogers was reported to be somewhat better this morning.

Mr Joseph Seawell returned yesterday from a trip to Greensboro.

Mr D B Avera, of Johnston county, is in the city.

Judge Armfield is in the city.

At last reports from Charlotte the condition of Judge Shipp was still very critical. But little hope is entertained of his recovery.

Dr C T Bailey is off today on a trip to Virginia.

Mrs P H Johns, of Auburn, is quite sick.

Prof E C Branson, Superintendent of city schools of Athens, Ga, his wife and children accompanying him, are in the city on a visit to his parents, Mr and Mrs L Branson.

The Railroad Committee.

Mr John M Robinson, President of the Seaboard system, was before the committee yesterday. He was not regularly summoned but came at the request of the committee. He stated that the Seaboard and Roanoke Railroad had made dividends for several years past of 6 per cent and upwards, and had never made any concealment of the fact or refused to comply with the demands of the State for any claims against it.

Mr H Walters, general manager of the Petersburg Railroad was examined. He said that under the charter of the road it was absolutely exempt from taxation, but the charter would expire this year, when there would be no question about the payment of taxes hereafter. The examination of Mr P B Ruffin, Secretary and Treasurer of the N C R R was continued at length.

Promptly Received.

On the day of the excursion of the Tabernacle Sunday School to Tarboro Hartwell, son of Hon J C Scarborough, left his coat in the beautiful grove. Mr Scarborough as the train was moving off for home only had time to call to Col John W Cotton and ask him if he could find it to send it to him. Mr Scarborough informs us that in a few days he received the coat by express. He desires to return many thanks to Col Cotton for his kindness. This speaks in the highest terms for Tarboro and its people, than whom there are none more kind or courteous in the State.

Johnny—I don't think we'd better call him any of the names papa called him last night when he was crying. He mightn't like it when he growed up.

Mamma—I wonder what we shall call the baby?
