nant case of small pox. Mr Bostick was at Shanghi, five hundred miles away. The telegram to him that his wife was ill had to be ent 56 miles by tance horseback stopping long enough for the horse to eat. He was on the way back three days and on the way back three ayy and
ate but two eggs during that time. When he reached Chefoo he found his beloved wite was dead and buried and he was denied the privilege of being with her in her last hours. Mrs Crawford, a missi jnary, where thes were boarding, ministered to the wants of Mrs Bostick and attended her with all the care of a mother. Mrs Bostick leaves one little pirl who was in Shanghi, on the 23c of May,
the hands of friends, who will brin her to America.
Mr Bostick writes with a bleeding heart, yet true Christian resignation to the Divine will.
Mr and Mrs Bostick's friends in Darham, and they are many, wil read this sad news with heartfelt sym pathy. Mrs Bostick was greatly be-
loved here and will be remembered as loved here and will be remembered a
one possessing a lovely christian one possessing a lovely ebristian
character. The prayers of this people character. The prayers of this people
will ascend for the afflicted husband.

## A Most Important Industry.

 This morning early, before "O sol" had spread his burning rays ove the land, to a scorching degree, we wended our way to the tanning es Wabishment of Hesors W $F \& J$ Wyatt, conveniently and pleasantly located on the west side of the Raleigh and Gaston Railroad one mil eigh and Gaston Railroad one mil north of the depot. The tannery is
situated in an enclosure of one acre situated in an enclosure of one aere
under a under a splendid picket fence, and
the plant occapies in all seven and the plant ocapies in all seven and
one third acres on the west side of one tirla acrest on the west side of
the railroad extending from the road to Pigeon House branch, known fa miliarily as Mrs Mordecai's spring branch. The:e is a dam at the ta yard house about two hundred and firty yards long, and the pond will be about six feet deep. It will also be ubed as $q$ fifh pond, as the water is clear and well adopted for the purpose. A lot of beautiful small shade the place a delightful retreat. The tannery is $24 x 50$ feet; three stories high with all modern improvements added as they go forwara in the business. They will commence with a capacity of twentv vats, which will be added to as the business may demand. The earnings of the plant will be kept at the place, which is
most commendable. A beautiful cot-
 Mr T W Childress who is the tanner.
He is a gentleman of experience and
the strietest business habits There is also on the premises a large barn can be housed and cared for in the best style. The eapacity of the plant will be about 50,000 pounds of hides per year, makligg about 25,000 pound of leatlier. Operations will commence by August 1st, and perhaps aooner as everything will be pushed to completion at the earliest prae
ticable time. Every ticaibe time. Every convenience
will be furnished for the active and earnest prosecution of the business. Already a splendid water ram has been placed in position, which will convey the water throagh the bailding. Mr Childress has had an experience of ten years in the business worked with Mesers Wetmore Co until April 18t, last, finishing a leather for their shoe manufactory. Messrs WF\&JM Wyatt are to b congratulated on the display of ener gy they are putting forth, and we in common with the people of Raleigh generally wish them the mott abun dant success.
