In and Around the City.

Dull as ditchwater.
City full of politicians.
Nearly half the year gone.
Boom up the 4th of July.
A number of our citizens returned from Morehead today.
Home made water melons will be plentiful in a few days.
A gentle rain would now prove beneficial to the gardens.
The 4th of July committee are doing their whole duty. Let our people aid them in every way possible.
Are you ready for the Norfolk excursion next Monday. Go by all means. A good time may be expected.
Remember that the fare to Norfolk and return is only \$2.50. Another such an opportunity may not be given for a long time to come.

The noble and generous J S Carr will be here next week to inspire by his presence, the work for our disabled soldiers. Let all do their part.
A special train will be run from Greensboro to Raleigh for the 4th of July celebration. We hope our friends of the "City of Flowers" will be here by the hundred.

Colonel Turk is doing his level best for the accommodation of all who wish to visit Raleigh on the R & D Railroad. The Colonel never goes back on our folks if he can help it.

Mr Geo Stephenson, of Panther Branch Township, had native water melons in market today. These are the first of the season. Pine Island Guano, sold by Crowder & Rand did the work.

We have received the first annual catalogue of the North Carolina College of Agriculture and Mechanic Arts. It is neatly gotten up and gives full information as to the general regulations of the Institution.

We hope "our Zeb" will "strain a pint," and throw off senatorial dignity long enough to let us see the light of his beaming countenance on the fourth. The very sight of him will inspire the multitude, while one of his inimitable jokes will "drive dull care away"—come on Zeb.

There is a rumor afloat that the track on the Hillsboro street line between Maj Tuckers and St Mary's gate, will not be relaid until the next session of the school commences. We hope the rumor is unfounded, as this course will seriously lessen travel over that route.

With the Norfolk excursion, the Soldiers' Home Festival and the 4th of July celebration, next week will be a grand gala time in Raleigh. Let the people from all over the State come to the capital. Our lath strings will be open and all will receive a cordial welcome.

The Raleigh District Sunday School Conference convened in Cary yesterday morning at 9 o'clock. There was a large attendance. Addresses were delivered by Rev Dr J B Bobbitt, Rev Dr J H Cordon, Dr L L Nash and others. The exercises today were interesting and addresses were delivered by a number of gentlemen.

All honor to the noble ladies who are preparing for the grand festival for the benefit of our disabled soldiers. May heavens choicest blessings rest upon them. Let our people open up their hearts and purses on this noble occasion. Let the proceeds run far up in the thousands. It is a great work, the ladies are doing, and they should be encouraged to the utmost.

Messrs Stronach and Olds are doing manly service for the fourth of July celebration. Let all our people come up to their aid in all respects.

There will be singing at the Christian Church Sunday afternoon at 5 o'clock. All invited to attend. "Hymns, New and Old," will be used.

We want to see lots of Durham boys here next Friday. We will show them the site of the Baptist Female College, and they can tell us how they are getting on with Trinity College.

Let there be a great rush to the capital of the State next week. Our folks are brim full of patriotism, and all will receive a cordial Tar Heel reception.

Just think of it. All the bells ringing and all the whistles blowing at sunrise on the fourth. Won't it be jolly? The small boy and the old folks, too, are on the tiptoe of expectation.

Married.

At the residence of the bride's father in Clayton, N C, on Thursday evening, June 26th, 1890, by Rev O C Horton, Mr John W Massey, of Selma, to Miss Loula Thurston, of Clayton. The best wishes of the VISITOR attend them.

Fourth of July Excursion.

The Richmond & Danville Railroad will run an excursion train from Goldsboro to Raleigh and return July 4th, for the accommodation of parties attending the grand 4th July celebration. Train will leave Goldsboro at 7.45 a. m, and arrive at Raleigh at 9.38 a. m. Returning leave Raleigh at 10.00 p m, arrive at Goldsboro at 11.47 p m. This will enable parties to spend the day in Raleigh and see the pyrotechnic display at night.

Grand Excursion.

There will be a grand excursion from this city to Winston on the 15th of July and it promises to be one of the most enjoyable events of the kind that has taken place for some time. The train will leave the depot at 6:30 a m, and return at 10 p m at night. There will be a special car for ladies and their escorts, and everything will be done to render the trip in all respects a most comfortable one. The fare is only \$1.50. We hope that there will be a large crowd. It is a splendid chance to visit one of the most delightful portions of North Carolina.

His Christian Name.

One of the best incidents in the line of census jokes recently took place in Johnston county. During his rounds one of the enumerators met up with a man and told him he had come to "take what he had." The man seemed much disturbed and tremblingly replied that he had but very little, and expressed the hope that he would be allowed to keep it. The enumerator then asked him what was his Christian name, when the man promptly replied that he was a Baptist in full fellowship. This can be pronounced at least, an orthodox answer.

Miss Bessie Ellington arrived in the city yesterday evening from Bayboro, N C

Democratic County Convention.

There was a very large delegation present at the Democratic County Convention, which assembled at noon today, in Metropolitan Hall. W H Pace, Esq, was chosen permanent chairman, and the Democratic press present acted as secretaries.

A resolution was offered that the chairman appoint a committee of five to recommend delegates to the convention for the Judicial convention. A heated discussion arose upon the subject.

Mr Beddingfield opposed, Mr J N Holding favored. Hon J C Scarborough was requested to make a statement in regard to the organization of the county convention of Johnston. W G Allen and J D R Allen spoke in opposition to the resolution. W J Peele, Esq, spoke in favor of it. J B Batchelor, Esq, also favored the resolution. After a lengthy discussion, participated in by many others, N B Broughton, Esq, made a strong appeal in favor of the resolution. C N Allen, Esq, spoke in strong terms in opposition to the resolution.

A resolution was offered that delegates be elected by each township to the Judicial convention. This was voted down.

The original resolution was passed by a large majority which gave the chairman power to appoint a committee of five to recommend to this convention delegates to the Judicial convention.

The chair appointed this committee at once; they were asked to return and make up the list of delegates they desired to recommend. The convention then adjourned until 2:30 p m.

EVENING SESSION.

Ninety two delegates were appointed to attend the judicial convention which meets at Smithfield next Tuesday July 1st. All the delegates are supposed to be Whitaker men.

A Resolution that a majority of the delegates be authorized to cast the vote of the county was pending when our report closed.

Interesting Meeting.

The union meeting for the eastern section of the Raleigh association, met yesterday, with the church at Clayton. Eight churches were represented and quite a number of delegates present for the first day. After sermon by Rev J L Cottingham from Matthew 11 and part of 19th verse, "I, friend of publicans and sinners;" the sermon was well delivered and well received after which the union was organized by electing R H Gower, moderator, and N R Pool, clerk.

The first question taken up for discussion was—"Does Being Honest About a Thing Make it Right." Rev G W Rose, Hon J C Scarborough, Rev E G Beckwith and R H Gower participating in the discussion. The speeches were good and if any one present had any doubt upon the subject, must have been convinced, that being honest about anything by no means made it right; but that we

must seek the truth from God's word and the guidance of his spirit. Other questions were read and speakers were appointed for today's discussion, after which the union adjourned until today at 9:30 o'clock. The Tabernacle church of this city was represented by Hon J C Scarborough and Mr A L Ferrell. The people of Clayton are a kind, generous, hospitable people, and gave to all the delegates warm, open hearted hospitality. We were very sorry to find that the health of our friend, Vick Tomlinson, Esq, is very bad and has been so for a long time, so much so that he has not been able to be out but little recently. This is a source of the deepest regret, not only to his immediate friends, but to the people of his section generally.

The meetings are of the deepest interest and the proceedings were heartily enjoyed by all present.
