### LARGEST CITY CIRCULATION.

**Index to New Advertisements.**  
B. F. Montague—Auction Sale of City Property.

### In and Around the City.

Crops needing rain.  
Politics all the rage.  
Another hot wave predicted.  
Go to Winston and get a glimpse of Pilot mountain.  
The boy's circus is the next sensation.  
Go to Winston and see the electric street cars.  
See notice of sale of city property, by B. F. Montague, mortgagee.  
A Sunday School picnic will occur at Ebenezer Church, Wake county, Tuesday the 22nd inst.  
The last enterprise phase—an undertaker taking a near cut to get ahead of his rival, on the road to the cemetery.  
The fare from Raleigh to Wrightsville and return, by the Seaboard Air Line, for attendance on the encampment of State troops will be \$5.35.  
Remember that there will be a refreshment car in connection with the excursion to Winston next Tuesday. Remember also that there will be a special car for the ladies and their escorts.  
Mr. H. C. Upchurch, son of W. G. Upchurch, Esq., has decided to take a full course of medicine at the University of Virginia, after which he intends to attend the college of physicians and surgeons of New York City for two years.  
Messrs Woodward and Mason will have charge of the refreshment car on the Winston Salem Excursion train that leaves here next Tuesday. They will serve refreshments going and coming, and will have prepared a nice dinner at Winston Salem for the crowd at 50 cents each. Let all who can attend.

A statement is going the rounds of the press that every sheriff elected in Rowan county, during the past fifty years, has died in office. Perhaps this will be the means of searing some of the candidates in that section off of the track. We do not know how it would operate in Wake, but rather expect there are many who would be willing to take the risk.

The venerable Mr. Paul C. Cameron stated in the recent meeting of stockholders held at the Mayor's office, that he had never lost anything by investing in cotton factories. This should be encouraging coming from such a good financial source, and should inspire our capitalists with confidence. Mr. Cameron is splendid authority on such matters.

**Incorporated.**  
The Raleigh Paper Company took out articles of incorporation today from C. D. Upchurch, Esq., Clerk of the Superior Court. The following gentlemen compose the company: Messrs John B. Brewer, J. N. Holding, H. G. Holding and C. E. Brewer.

**Funeral.**  
The funeral services of the late Mr. C. H. Weathers, took place this morning from the Baptist Tabernacle Church, and were conducted by the Rev. Dr. J. J. Hall. The remains were interred in Oakwood cemetery, the following gentlemen acting as pall bearers: Messrs. Frank Ward, S. W. Coats, S. V. House, N. B. Broughton, W. H. Holloway and A. L. Ferrell.

"I think these kissing games are such foolish things," he said, petulently, as they left the children's party and strolled out on the lawn.  
"Yes," she answered, "kissing is always very foolish when any one is looking on."

## Delegates from New Light Township.

The delegates from New Light Township to the congressional convention in Durham on July 24th, are: Dr. S. W. Thompson, P. M. Mangum, R. P. Jones and L. Woodlief.

## A Splendid Time.

Don't forget the Winston Salem excursion which leaves here at 6:28 o'clock sharp next Tuesday morning. Returning, the train will leave Winston at 6:20 p. m., arriving in Raleigh at 10:37 p. m. The fare is only \$1.50 and it will be the cheapest trip in proportion to the enjoyment ever given. There will be special cars for ladies and plenty of room for all. Let everybody who possibly can go, be on hand.

## An Interesting Sermon.

Rev. Dr. J. J. Hall will, on tomorrow night, at the Baptist Tabernacle, preach a sermon specially of interest to the working classes of our community. This will be the first of a series of sermons. Dr. Hall will preach to the working classes, and we urge all to be present. They will be of an able and instructive character.

## Christian Church.

Sunday school 9:30 a. m., at which delegates will be elected to attend the North Carolina and Virginia Christian Sunday School Convention which meets in Alamance county, N. C., July 30, '90. Preaching at 11 a. m. by the pastor, subject "Cross Bearing," and at 8 p. m., subject, "Paul's Model Young Man." All members of the Sunday school and church requested to attend. At night the services will be specially for young people.

## The Prize Riddle.

Sometimes my face you like to see;  
Sometimes you have a fear of me;  
For changeful are the forms I wear,  
And fateful are the counts I bear.  
Erstwhile, as weapon of defense,  
No warrior could with me dispense.  
In later times, as tools I'm found,  
To break the rock, or loose the ground.  
Sometimes of metal I am made;  
Sometimes of paper—for the trade.  
To winged creatures I belong  
I help to make the anchor strong.  
You'll meet me here, you meet me there,  
In fact you'll meet me ev'rywhere.

**The Union Mission.**  
It is earnestly desired that a meeting of the Board of Directors for this Mission may be held on Monday at 5 p. m. The Superintendent, Mr. S. J. Betts, having decided to leave the city, has placed in the hands of the Secretary his resignation as Superintendent. The work done by him has been well and faithfully done, and without compensation. Through this agency, the poor have been considered and nearly 250 pieces of clothing have been given them, besides 13 barrels of flour and other minor things. The average attendance upon the meetings has been 40 per night. The average number of persons expressing a desire to be saved from their sins is 3 per night. The number of converts have been ten, five of whom connected themselves with the church. Many members of the church have been strengthened and encouraged to go forward, and some are doing a good work in the community.

This Mission commends itself to the good people of Raleigh, and it is hoped that more will give it substantial aid and support.

S. M. PARISY,  
Secretary.

**Preaching.**  
By appointment, Elder D. N. Gore, will preach in the Primitive Baptist Meeting House, in this city, tomorrow, at 11 a. m. Public is cordially invited to attend and hear him.

Use "Royal Germetueur." It will protect you against fever.—A. E. Jordan, agent.

## Our Grapes.

Grapes are being shipped in large quantities from the various vineyards of this vicinity and it is a source of much gratification to note, that the fruit is equally as abundant and of as good quality as heretofore. We learn that between five and six hundred baskets have been shipped from Col. Heck's vineyard during the past two days, and, our friend Mr. Bilyew is sending off the usual supply. The cultivation of this most delicious fruit is getting each year to be more popular and remunerative, and those who ought to know say, that after the first three years the yield per acre can be estimated at \$100. This is surely encouraging for those who advocate diversified crops.

## A Nice Drive

The drive from the city to Pullen Park will soon be a most excellent one. Under the able management of Mr. W. C. McMackin, Hillsboro road is being put in splendid order. All the gullies on each side are being filled up, thus making the thoroughfare much wider. The soil, however, is red clay, and unless it be packed with gravel, it can never be what may be termed a clean road. We understand, that, as soon as the leveling and grading are completed, crushed stone will be put down, so that the road from the city limits to its intersection with the Avent Ferry road will be as good as most of the streets in town. We would suggest, that, after the Hillsboro road is finished, the Avent Ferry road from its intersection with the main road to the entrance to the park should receive a packing of gravel. It is only about a quarter of a mile from the Hillsboro road to the Park, and as it now is, the Avent Ferry Road is the only direct outlet to the place. This road from its intersection with the Hillsboro road, to the park, is red clay soil and the least rain renders it almost impassable.

We have no doubt that Superintendent McMackin is taking in the whole situation and that he will soon give the people a road from the city to the park in all respects creditable, provided he is not interfered with on the "penny wise and pound foolish" idea.
