Local notices in this paper will be Five Cents per line each insertion.

LARGEST CITY CIRCULATION.

In and Around the City.

Sultry.

Another very heavy rain.

"A Zoo" for Pullen Park is next in order.

The sweet potato crop was never better.

Cotton will soon be "piling up" in Raleigh.

Don't fail to take in the excursion of the Working Men's Association to Littleton tomorrow.

The North Carolina Teacher for September 1890, is on our desk. It is an admirable number.

Scuppernong grapes are coming in but they are not as ripe as they should be, for use.

There was a very pleasant entertainment given by Dr. and Mrs. W. H. Bobbitt, last evening, in honor of Miss Agnes Doub, of Greensboro.

Sheriff Currie, of Moore county, brought in three convicts to the penitentiary today, who will at once go into the railroad business or farming.

C. D. Upchurch, Esq., clerk of the Superior Court, on yesterday, took Pearl Prentice Rosa Minnie Caudle (white) from her mother, who was of lewd character, and apprenticed her to W. J. Holloman, Esq. He also apprenticed Silver E. Hedrick (white) to Fred Matthews, Esq.

Gov. Fowle today received a letter from R. F. Clayton, Secretary of National Farmers' Congress, which will meet at Council Bluffs, Iowa, on the 26th of August, stating that a free excursion would be run on the Union Pacific Railroad to Denver Colorado, and through the Rocky Mountains to the delegates of the said Congress.

Attention is again directed to the fact, that the sidewalk on the southeast corner of Wilmington and Hargett street, is frequently so crowded with what appear to be idlers, that it is almost impossible for persons, especially ladies, to pass. The latter, some times, have to go out into the street to get by. This state of things is getting to be a nuisance, and ought not to be tolerated. Surely our police force ought to attend to it.

A Novel Game.

Sometime during the first week in September, the married men will play a game of baseball against the single men of this city, for the benefit of the Soldiers' Home. We hope this will be encouraged by a large attendance on that occasion, and the receipts may be large, as we are sure they will be, and the occasion one of much enjoyment.

Captured.

Steve Jacobs, the celebrated outlaw of Robeson county, who was to have been hung in that county a short time since, but escaped, has been captured out in Georgia by Mr. Geo. N. Hurdy and delivered to Mr. McEachern, Sheriff of Robeson county. Governor Fowle paid Mr. Hurdy the two hundred dollars reward offered for Jacobs sometime since, therefore another very desperate man will be made to pay the penalty of his crimes.

Another Grand Excursion.

Another grand excursion will be run from this city to Asheville on Wednesday September 3d. G. J. T. Mallory, manager. Special cars for ladies and their escorts. First class arrangements. The Coming Excursion.

The last excursion which will probably take place this season is the one to be given on the 27th inst from this city to Wilmington, Wrightsville and Ocean View under the auspices of Messrs. King, Lacy and Sherwood. It will be an opportunity rarely afforded for our people to visit the seacoast at so small a price. Let everybody who is fond of fishing and aquatic sports take in the occasion. It will be a most delightful one.

Personal Mention.

Mrs. Thos. R. Purnell and Prof. Bauman left this morning for Buffalo Lithia Springs.

Miss Maggie Bobbitt, a charming young lady from Littleton, is visiting friends and relatives in this city.

Rev. Dr. J. B. Bobbitt, accompanied by his handsome little son Eck, has returned from Panacea Springs, where they have been having a most delightful time for several weeks.

Deputy Sheriff P. H. Johns, who has been confined at his home with sickness for the past two weeks, was able to come up to the city on yesterday but was not able to go on duty.

Mrs. C. E. Wood and her interesting little daughter Fannie, have gone to Birmingham, Ala. We wish them much happiness in their new home.

We regret to learn that Mrs. W. N. Snelling, who has been quite sick for the past two weeks, is no better.

Pension Claims.

We found our excellent State Auditor, Hon. George W. Sanderlin, busy in his office this morning at work on disabled Confederate soldiers' applications for pensions. He has received between three and four thousand applications from the different county boards, about one thousand less than is on the roll. From some cause or other these have failed to be sent in. The Auditor has these applications to examine separately and carefully. This requires a large amount of painstaking labor. After they have been all passed upon by the Auditor they have to be submitted to the State Board for their approval. This Board consists of Gov. D. G. Fowle, Attorney General, T. F. Davidson and State Auditor, George W. Sanderlin. The claims will be paid about the last of October or the first of November.

The State Fair.

The State Fair in 1889 was as good as anybody could have wished. It had a crowd of new features, it was conducted with a great deal of system and order; so much so that there was not a single arrest during the whole week, and nothing was lost or stolen. It was meant to be a fair for the people, and the people recognized it as such, and gave it a very liberal patronage. The management proposes this year to make it superior in every way, to the last. It is to embrace new features of special interest to the farmer, the mechanic and the educator. At the same time, the means of proper amusement will not be neglected. Negotiations have already been completed for some of the best and most unique entertainments ever offered to the public, and the ground will be crowded with shows and curiosities, equaling any that have been seen in the country. The low rate of fare makes it possible for everybody to come, and the abundant crops which the season now promises, will make it a matter of duty for our people to come together for a week's holiday and happiness.

It makes the best of us mad all over to be told the truth about ourselves.

A Nice Entertainment.

The entertainment given by the Young People's Society of Christian Endeavor of the Baptist Tabernacle last night, was one of the most enjoyable it has been our pleasure to attend. A select audience assembled by special invitation, and the delightful programme which had been prepared, was rendered in a happy and interesting manner. The programme was as follows:

Opening Chorus—Society.
Instrumental Duet, piano and organ—Miss Mamie Jordan and Mr. S. M. Parish, Jr.
Recitation—Miss Maggie Ferrell.
Vocal Duet—Miss Effie Broughton and Miss Genevieve Jordan.
Recitation—Mr. W. B. Tarkinton.
Song—Male Quartette—Messrs. Harris, Cheek, Young and Yearby.
Vocal Solo—Miss Loula Garrell.
Select Reading—Prof. J. E. Matheny.
Song—Male Quartette.

The audience appreciated the efforts of those who rendered the programme and kept in a happy vein of humor throughout the entire evening.

A word about those who took part in the programme, we think, will not be amiss.

The instrumental duet on the piano by Miss Mamie Jordan and Mr. S. M. Parish, Jr., was rendered in an accomplished manner and reflected great credit upon these two young people as performers on that instrument.

Miss Maggie Ferrell's recitation was superb. It was an excellent subject and was delivered with a charming grace that captivated the audience. She certainly possesses no small degree of talent in this direction.

The recitation by Mr. W. B. Tarkinton was very good and was highly enjoyed and appreciated.

The songs by the male quartette it is useless to say were delightful as our people are too well aware of this fact and we need only to mention that they were there and sung.

The vocal solo by Miss Loula Garrell, of Wilmington, was charming and delightful. She possesses such a rich soft voice and the melody that poured from her lips was exquisite and enrapturing.

The entire audience was convulsed at the laughable selection which Prof. J. F. Matheny read.

Mr. Badham, although not down on the regular programme, helped to contribute to the enjoyment of the evening by singing a selection and accompanying herself on the piano.

At the conclusion of the programme everybody joined in at once in having an excellent and sociable time. Light refreshments were served by the society to all present.

Instrumental and vocal music were indulged in and happiness was depicted on every hand. During the evening Miss Edwards, of Henderson, sang to the delight of all. Her rendition of, "If you love me, answer with a kiss," was bewitching. She is a fine singer and was complimented on every hand. Mrs. C. C. Jordan and others rendered some excellent instrumental selections.

Hon. R. M. Humphrey, of Houston, Texas National Superintendent of colored alliance of the United States will deliver a public lecture at the court house tonight at 7:30. All are invited to come out and hear him.

LONDON, Aug. 19.—Davis Dalton, an American, has accomplished the feat of swimming the English Channel from Grimsby to Folkestone on his back in twenty three and a half hours. He finished strong. A boat acted as pilot to the swimmer.

The late Henry W. Grady said: "When you enter a store to buy anything, ask if it is made in Georgia, and give a Georgia made article the preference over its competitors from the North."
