### LARGEST CITY CIRCULATION.

#### In and Around the City.

Nice weather.  
Indian summer soon be here.  
Don't forget the meeting of Magistrates at 5 o'clock this afternoon.

It looks like the extension of the Albemarle and Raleigh Railroad will be an issue in the county campaign.

The tax list is now in the hands of the sheriff, and he is ready to write receipts at any time.

"The Whale" is the title of a weekly democratic campaign paper in contemplation in this city. It will be devoted entirely to county politics.

Special convocation of Raleigh Chapter, No. 10, tonight at 7:45 o'clock. The Royal Arch degree will be conferred. Every companion is earnestly requested to attend.

The comedy, of the "Three Fast Men," which will be performed at Metropolitan Hall, on Friday next, is said to be the funniest production of the day. Let all who wish to "laugh and grow fat" be on hand.

Mrs. Jane Smith, widow of the late David Smith of Middle Creek Township Wake County, died on yesterday at 11 o'clock, of paralysis. The funeral will take place this afternoon at the old homestead.

We learn that it is contemplated to have the grand barbecue on the 25th inst. at the fair grounds. What a pity the street car line does not extend that far. It ought to. But why not have it at Bledsoe's grove. It is much more convenient.

Messrs. Patrick and Packard are doing their level best to make the coming fair a most perfect success, and these gentlemen are not in the habit of failing at anything they attempt to do. Let our people encourage them in every manner possible.

A rich treat is in store for all lovers of music, at the musicale to be given at the residence of Mrs. Jos. Kreth 116 West Edenton street Friday night. Go and enjoy yourselves. No refreshments and no admission, but a souvenir will be given to the person who guesses nearest the amount of proceeds.

The fashions repeat themselves. Twenty five years ago Egerton snuff was put up in jars and bottles. For years and years we never saw them at all. Mr. J. R. Ball, who is with Messrs. Barbee & Barbee, State agents for Egerton's Scotch snuff, said to us this morning that the sales of this snuff were immense. It is sold in jars, bottles and bladders.

All music lovers are invited to attend a "Musical" to be given Friday night by some of Raleigh's finest talent, for the benefit of the poor, under the auspices of "Lend a Hand" circle of "King's Daughters" at the residence of Mrs. Jos. Kreth, 116 West Edenton street. A "Souvenir" will be given to the person who guesses nearest the amount of proceeds. No refreshment and no admission fee.

#### Took Out Naturalization Papers

C. D. Upchurch, Esq., of the Superior Court, has issued naturalization papers to A. Viola, a former resident of Italy; therefore he becomes a citizen of the United States and is now entitled to all the privileges of an American citizen.

#### Masonic.

Raleigh Chapter meets tonight at 7:45 o'clock for the purpose of conferring the Royal Arch Degree. At same time and place there will be a meeting of the committee appointed by Wm. G. Hill Lodge in regard to a Masonic Picnic. It is earnestly requested that every member of said committee be present.

## L. O. O. F.

The Central Committee desire every member who has a subscription list to collect and turn over the list and collections to the committee, who will be in session at the office of Edwards & Broughton, tomorrow evening at 8 o'clock.

Seaton Gales Lodge, No. 64, meets tonight; the Second Degree will be conferred. Candidates and every Odd Fellow cordially invited to be on hand.

#### Sad Accident.

Col. John Robinson, Commissioner of Agriculture received a telegram this morning bearing the sad intelligence that his brother George L. Robinson, of Anson county, near Wadesboro, had his arm so lacerated yesterday afternoon in a cotton gin that he bled to death before remedies could be administered. This was a very sad death. He was about 25 years of age and a most prominent young man.

#### A Voice From Beyond the Blue Ridge.

The interest generally felt throughout the State in our next Fair, is well voiced in a letter to Mr. J. T. Patrick the Superintendent, a part of which is here given: "Will you please find us a private family to stay with while we are with you, and report to me the cost and the name of the principal of the house. I hope to have several things of interest on the Fair ground from Haywood county. We are watching it closer this year than we ever have before."

Please look on your maps, good people of Raleigh and see how far this family is coming. If any private family will receive them, the address can be had of L. S. Packard, at the Agricultural Building.

#### A Raleigh Boy Hurt.

The Durham Sun of yesterday afternoon has the following account of an accident to a former Raleigh boy:

About 5 o'clock yesterday afternoon Mr. Frank Heartt was engaged in charging a generator with acid at Blacknall's drug store, for the purpose of making soda water. He was standing upon a board, laid across the head of an empty barrel, with a can of acid in his hand, reaching up to the mouth of the generator. The board broke, and as it did so Mr. Heartt jumped, causing the acid in the can to splash out. Fortunately he had on a straw hat, which prevented it striking his face. The hat looks as if it had been in a fire. The acid that did strike his clothing played havoc with all he had on. Friends rushed to his assistance and by the speedy application of water and soda his flesh was prevented from being badly burned. His left arm and hand were some burned. It was certainly a narrow escape for him, and his friends are gratified to know it is no worse.

## A Grand Tribute.

We briefly noted yesterday the election of our fellow citizen Mr. C. M. Busbee to the high and honorable position of Grand Sire of the Sovereign Grand Lodge of Odd Fellows.

The announcement carries with it, not only a well deserved compliment to Mr. Busbee, but to the State of North Carolina, as well.

Mr. Busbee is so well and so favorably known to our people that anything we might say in his favor would be considered superfluous. It is but another instance of the energy and worth of our Raleigh boys, in which all our people should take a proud delight. Long life to him.

We are under obligation to our contemporary, the Chronicle, for the above out of Mr. Busbee.

#### Married.

LUMLEY-STEIN—At the residence of the bride's parents, last night at 9 o'clock, on New Berne avenue, by Rev. Dr. J. J. Hall, Mr. George Lumley, of this city, to Miss Rosa, third daughter of Mr. and Mrs. Charles Stein. Many useful and handsome presents were given to the bride. The Visitor extends its congratulations to the happy couple, hoping that they may live long and have a journey of uninterrupted bliss along the pathway of life.

CRUMPTON-LOCKETT—At the residence of the bride's mother, in Danville, Va., on Wednesday evening, Sept. 17, 1890, Mr. Willie Crumpton led to the hymenial altar Miss Lena Lockett.

The bridal party were attended by the following couple: Miss Ava Gattis, of Raleigh, maid of honor; Mr. Paul Taylor, best man; Mr. D. O. Lockett and Miss Annie Lewis; Mr. J. B. Ruffin and Miss Stella Banks; Mr. Frank Redd and Miss Ida Chaney; Mr. C. C. Crumpton and Miss Blanche Andus; Mr. Horace Terrell and Miss Mamie Andus; Mr. Ned Griggs and Miss Natalie Ballou; Mr. George Saunders and Miss Flora Waitt.

After the ceremony the contracting parties held a reception at the house of the groom's parents, which was attended by their relatives and numerous friends. The Visitor tenders its most hearty congratulations and hopes that the newly wedded pair may tread life's pathway in the full enjoyment of conjugal bliss.

#### Pupils Arriving.

Quite a large number of pupils for the institution for Deaf and Dumb and the Blind arrived in the city yesterday afternoon on the 4:45 train. W. J. Young, principal, Prof. E. McK. Goodwin, teacher, and others of the institution met them at the depot. They were treated with the tenderest care by the above officers. It was a touching scene. This institution is one of North Carolina's noblest charities, where that unfortunate class of our people are so kindly and tenderly cared for. Its officers are faithful, efficient and kind. In the years to come may the institution continue to prosper until its influence is felt throughout the length and breadth of our State. Parents and guardians need not fear to trust their children in the hands of such men.

John Grady, son of ex Sheriff J. R. Grady, of Harnett county, was killed a few days ago near Summerville, in said county, by a saw mill belt.

## Personal Mention.

#### Reversed and Swolen.

We have found it necessary to increase the size of our carpet room. Our trade in this special line drove us to double the size; and now we have the largest carpet room in North Carolina. It is wonderful how our carpet trade has increased. We have 480 square feet of floor in our new carpet room. This means something; means that we are selling carpets for less money than anybody else. We are carrying a large line of carpets and in selling so much carpets we have an accumulation of remnants from 5 to 20 yards in a piece, and any one who can use these small pieces can get them for a mighty small price. We had rather sell them than have them in the way. Now the matter of buying a carpet is no small thing, and if you will allow us to show you what we can do, I am sure we can make a customer and a friend of you. We like to be very popular with the carpet trade at SWINDELL'S.

In order to test the comparative merits of the various newspaper advertising mediums, and at the same time benefit the readers thereof, we shall consider this advertisement for one dollar in payment toward purchase of \$20 or more worth of goods, if cut out and presented at time of purchase either in person or by mail. SWINDELL.
