### LARGEST CITY CIRCULATION.

#### In and Around the City.

Curious weather.

Too warm for the season.

Electric street railway a fixed fact.

New houses going up in many parts of the city.

New opera chairs are expected to be placed in Metropolitan Hall.

Asheville is to have a big convention.

There is very little news of local interest stirring in the city.

The Chrysanthemum Fair closed last Saturday. The net receipts were nearly \$200.

The Piedmont Alliance and Industrial Fair Association commences at Salisbury tomorrow.

Damp, foggy weather has prevailed all along the Atlantic Slope for the past ten days.

Notwithstanding the threatening weather; yesterday, most of the churches had large congregations.

Attention is directed to the important advertisement of Mrs. F. P. Bishop, which appears today.

The Orphans Friend has donned a fresh and beautiful dress and looks as handsome as a bride. It is a good Journal in all respects and deserves complete success.

The Trustees of Blackwell's Durham Bank have declared another dividend of 10 per cent, making altogether one hundred cents on the dollar. The dividend is payable on and after next Friday.

Extensive additions are to be made to the Round House at the R & G. Railroad shops. We hope this means that the workshops of the entire Seaboard System are to be located in Raleigh.

The members elect of the next legislature are fast selecting their seats in the Senate chamber and House of Representatives. In North Carolina it is "first come, first served," and not by lot as in some states.

The First National Bank of Hickory has been regularly organized with a capital stock of \$50,000. A. A. Shuford has been chosen President, and business will commence on the 1st of January next.

The Exodus fever seems to have greatly subsided in this section. It was hinted during the past summer, that a large number of colored people would leave in the fall, but, so far, the prophecy has not been verified.

Let us hope that the coming legislature can find it convenient to appropriate at least, a moderate sum for the purpose of a State Exposition next year. Such an appropriation will do much to advance the interest of North Carolina, in many ways.

Now is a good time to be arranging for fruit canneries in this section. As the crop was a failure this year, we may expect better results next season. It is known that canneries in other sections have proven successful.

A journal is to be started in Greensboro in a few days, we are informed, to fill the place made vacant by the suspension of the Patriot. Our old friend J. W. Albright will be the editor. We do not know what the new paper is to be called, but we take it for granted it will be all right.

#### Important Notice.

We are requested to announce that there will be an exceedingly important meeting of Manteo Lodge No. 8, minutes, on tomorrow night at 7:30 o'clock sharp. The degree staff will work in the third degree and all candidates who are eligible to this degree are earnestly urged to take this as a notice for their appearance at the above named hour. All Odd Fellows are most cordially invited to attend.

#### Masonic.

Hiram Lodge, No. 40, A. F. and A. M., will meet in regular communication this evening at 7 o'clock. A full attendance of the membership is desired. Brethren of sister lodges cordially invited. E. B. THOMAS, Nov. 17, 1890. Sec'y.

#### Christian Conference.

Delegates to the North Carolina and Virginia Christian Conference will leave this afternoon on the 4:45 train west. The conference meets in Guilford county near Greensboro. The delegates from the Raleigh church are A. Moring, Rev. J. P. Barrett D. D., and Rev. J. L. Foster Secretary of the conference. Mrs. Foster will accompany her husband. There will probably be no service in the Christian Church during the absence of the pastor. It is earnestly desired on the part of the people that Mr. Foster be returned. He has made a fine impression on the congregation he has served.

#### The Street Railway.

We are unable to answer the many enquiries relative to the sale of the Raleigh Street Railway which has been a current rumor for some time. Whatever transactions are in progress have been kept quiet, and we of course, presume for good reasons. The latest rumor is, that the sale has been consummated, and that the transfer of the line will take place this week. This, however, cannot be vouched for. It is presumed that if a sale is effected the electric system will be used instead of horse power, and the lines will be extended. We will give our readers the advantage of the first reliable news we receive on the subject.

#### The Larkin Smith Case.

The case of the State vs Chas. H. Smith and Rufus Montague, for assault and battery which was postponed from last Monday came up today before M. B. Barbee and James C. Marcom Justices of the Peace, Messrs. Armistead Jones and Fleming & Holding represented the State and Messrs. Fuller & Snow and Batchelor & Devereux the defendants.

Justice Eugene T. Jones who was one of the Justices selected to hear the case was not present, and it was agreed to adjourn until 3:30 o'clock to await his coming. Should he not appear, it would be an open question whether the trial should proceed with Justices Barbee and Marcom or a further adjournment be made.

#### Inter-State Convention.

Mr. John T. Patrick went to Asheville on Thursday morning of last week in the interest of the Southern Interstate Immigration Convention which will convene there on the 17th of December. It is expected to be a very large gathering of representative men from all sections of the southern states. Asheville is making very elaborate and very liberal preparations for the entertainment of those attending the convention. That whole mountain section has enjoyed the fruits of immigration efforts in recent years and they are not slow to encourage any effort looking in that direction. While they may be divided like other people on a multitude of non essential questions, yet when any thing is brought forward looking to the general good, no one asks who started it or who is to run it, but every one seems so intent upon building up Asheville that every other question is lost sight of when that one question is involved. Success must come to a people thus united.

#### Pension Warrants.

It is expected that the State Auditor will send out the pension warrants to the different Registers of Deeds on the 30th inst. who, under the new law, will deliver them to the pensioners. The entire amount for distribution, this year, is about \$81,000.

#### The Finest Rose of the Season.

Mrs. L. L. Nash, of this city, has had blooming in her yard for the past ten days, a rose of the "La France" variety, which measures 14 1/2 inches in circumference. It was shipped and transplanted in August of this year. It has been seen by several people who pronounce it the finest they ever saw. Who can beat that?

#### Entertainment.

The young ladies of Neuse will give an entertainment Tuesday night Nov. 18th. All who may attend will no doubt spend a most delightful evening. Oysters, turkey, fruits, and indeed almost everything in the line of eatables will be served.

#### Died.

Mr. Frank E. Patrick, of Richmond, Va., died this morning in the city of New York, where he had gone to have a tumor removed from the brain. He was a son in law to Maj. A. M. Lewis, of this city, and a gentleman of high character and extensive business. He leaves a wife and a large family circle to mourn his death.

#### Financial.

The financial condition on Wall street on Saturday was alarming, but near the close of the day's transactions, the News from London had a tendency to throw oil upon the troubled waters. The relief realized in London by the securing of several million pounds sterling gave more confidence for the time. Over speculation is alleged to be the cause of this strange wave that comes sweeping from across the Atlantic. It is to be hoped that a relieving equilibrium has been reached, so that Wall street and the whole country indeed may be more assured today.

#### Baptist State Convention.

##### Special Cor. EVENING VISITOR.

SHELBY, N. C., Nov. 14.

The Convention does not slacken in interest or attendance. The work of today was devoted largely to the endorsement of Wake Forest College and the Foreign Mission work.

In the morning, Dr. Taylor, of Wake Forest College, gave an address explaining in full the generous offer of Mr. Bostwick, of New York, who will put one dollar to every two dollars raised. President Taylor also gave a statement of the progress of his undertaking, and made an earnest appeal to all who had not already done so, to give largely to so worthy a cause. From the trustees' report, it was learned that the College now has \$155,000 endowment, four good buildings, eleven professors, 200 students, being more than ever before at the same time in the term, while sixty of these have the ministry in view. But, the College needs a larger endowment, two more professors, more buildings, more appliances, and to be prepared and fully fitted for 500 students.

Pledges were secured from individuals and churches.

Rev. J. S. Dill, chairman, reported for the committee on the appointment of the Mission and Sunday School Board. The same was adopted.

It has been found exceedingly wise to have but two sessions a day. Beginning at 9 o'clock and remaining until 1:30 p. m., then adjourn until 7 p. m.

Friday night, Rev. T. B. Bell, Assistant Secretary of the Foreign Mission Board, gave a stirring Missionary address, reviewing the work of the Southern Baptist Convention in China, Italy, Brazil and Japan; also telling the needs of our work. The address was very effective, and was followed by a few others. It was a Missionary meeting of much power. Dr. Pritchard declared he had not seen the like since the one in which Dr. Yates was present. J. J. H.

#### Personal Mention.

Rev. Dr. Cordon has recovered from his recent sickness.

Hon. W. A. B. Branch, is in the city.

We had a very pleasant visit this morning from Mr. Al. Fairbrother, the editor of the Durham Globe one of the live papers of the State.

Mr. W. R. Bunch of the firm of Spencer, Higgins & Co., of Basic city, Va., is in the city.

Rev. R. H. Whitaker, D. D., and wife returned this morning from Chapel Hill.

Mr. W. G. Upchurch went on a flying business trip to Johnston county today.

Miss Lenora Taylor left today for Kinston, accompanying Miss Hattie Tull who has been here some time on a visit.

Mr. W. A. Crawford has accepted a position with Mr. J. Winethrob, merchant tailor, where he will be pleased to have his friends and the public generally give him a call. Mr. Crawford is a most excellent workman in his line, and his genial and polite qualities are such as to gain him many friends.

#### SPECIAL NOTICES.

##### Norris' Dry Goods Store.

The key to the popularity of our \$2.48 ladies kid and goat button boots is their immense value and are recognized as the equal of \$3 shoes sold at other places. We would rather sell very close and make many sales than to sell high and have slow sales. Fall stock of ladies', misses', children's, men's, youths' and boys' foot wear in all grades and prices. From 10, 25 and 50 cents, according to quality may be saved on every pair you buy from us.

##### NORRIS' DRY GOODS STORE.

Fresh fish and oysters received every day at Sorrell's old stand, east side of Wilmington street. I ask my friends and the public to give me a call. Prompt delivery made of fish and oysters bought of me. Barbecue nearly every day. Families supplied at short notice.

no 14 St L. D. H. WHITEHEAD.

#### Musician

I am prepared to tune and repair organs and pianos. Also to give music lessons on these instruments and the guitar and banjo. All business entrusted to my care will receive prompt attention and satisfaction guaranteed. References given if required. DAVID W. BADHAM, no 7 1m 211 West Jones street.

#### Matchless.

We have twenty or thirty matchless bargains in our store which you need every day or week, and they are often not noticed by you, even when in the store. I will name them that you may call for them when you visit us again. About 75 dozen ladies' felt hats in walking styles all colors choice 20cts; these hats are worth 50cts and 75cts each.

Our line of Ladies' Furs and muffs are away under anything possible elsewhere. Our stock of clothing contains bargains you never saw equaled (if you know a bargain when you see it in clothing). In carpets we are in a position to sell you anything you want at a great saving. While in New York last week we bought a lot of men's, women's and children's undershirts at a big sacrifice, all wool goods and we are selling them at a mighty low figure.

At SWINDELL'S.

The reports of the strength of the Christian church for the year just closing have been made and show some gain. The strength in the United States is now 130,000, and in North Carolina 7,000. It is 5,000 in Virginia. The strength in other Southern States is very small, being greatest in Georgia and Alabama.
