NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief

New county officials.
Market well supplied.
Jack's Sweetheart tonight.
Fine weather still continues.
Soon time to fix up for Christmas.
The incoming officials look pleased, and those going out seem content.
Large number of country people in the city today.
The Grand Jury of the Federal Court has been discharged for the term.

The Register of Deeds during the month of November issued forty three marriage licenses—27 to white and 16 to colored persons.

Attention is directed to the advertisement of Hop Lee, who has opened a laundry business in the Prairie Building on Wilmington street.

Remember that the New York Theatre Company commences an engagement at Metropolitan Hall to night, in a brilliant repertoire. It comes well recommended and with popular prices it will prove a great attraction. Every night during this week.

On opening the New York World of the 30th our attention was attracted by the caption of an illustrated article which to us is shocking. The heading is BEAUTIFUL LIARS. When a public journal forgets that it is an educating force in its sphere, it has forgotten to be useful.

Mr. G. A. Jones, a talented young man from Snow Hill, attending Morson & Denson's School, has been called on to deliver an address on Temperance at Worth Academy, Lenoir county, on, or about the 18th of December. We are glad to know that the young gentleman is rising to prominence and we wish him much success in the grand work he has espoused.

At the services in Edenton Street Methodist Church last night, Ralph Fisher of Sampson county, a sixteen year old lad, entirely blind, presided at the organ, and rendered most excellent music. He received the highest compliments from all present. He is a student at the Deaf and Dumb and the Blind Institution. Mr. Young deserves the praise of all concerned in giving the students thorough instructions in all the departments and especially in the music department.

Attention, Rescue!

Regular annual meeting of your company tonight at 7:30 o'clock sharp. Election of officers to take place.

President's Message.

This document was received here over the Western Union Company's wires early this morning. The receiving commenced at 2:20 and was finished at 5:10 a. m. It is estimated to contain 15,000 words. Good work.

Notes from the Churches

THE TABERNACLE.

The Tabernacle Church was so full last night that many persons had to stand. Dr. Hall preached a sermon from the words "Where art thou?" and there seemed to be a deep impression and much feeling in the large congregation.

CENTRAL METHODIST CHURCH.

The services at this Church yesterday were interesting and very helpful. Dr. Nash preached two strong sermons. The collections in the Sunday school were very good, amounting to \$18.

EDENTON STREET CHURCH.

Rev. J. H. Cordan preached two admirable sermons yesterday morning and last night at Edenton Street M. E. Church to large and attentive congregations.

Neglect.

We would be glad every Monday morning to receive a short notice of any item of interest in the Sunday church service, or any other service for that matter, of each church in the city. I know we are expected to look up the pews, but in this matter we have found it hard to get at, and we shall only publish such as is furnished in the future. Then if your church is left out, don't blame us. We don't want any extended notice of the sermons, but simply short notices of matters of interest in the service and such other notes connected therewith as may be of interest to the public.

Police Arrests

We are indebted to the kindness of Maj. C. D. Heartt, for the following list of arrests for the month of November:

Alfay 10; assault and battery 5; assault with deadly weapon 1; carrying concealed weapon 1; disorderly conduct 18; drunk and disorderly 7; drunk and down 9; drunk in market 1; drunk on street 17; fast driving 2; F and A 1; insane 1; larceny 4; violating city ordinance 9. Total 86.

Seize the Opportunity.

Night classes for the study of shorthand, typewriting, arithmetic, book-keeping, penmanship &c., will be organized at the Raleigh Business College tomorrow night, and we hope our young men will take advantage of the opportunity to equip themselves in these valuable and important branches. There are no less than 100 boys and young men in this city who must need labor during the day in order to support themselves and others dependent upon them. Their chance for acquiring the knowledge so needful for successful business in any branch, is at night and unless they improve the present their future will pay the penalty.

We hope our young men will not neglect this matter but begin at once.

Deaths, Births &c.

During the month of November the death rates was as follows:

White males,	0
White females,	5
Colored males,	5
Colored females,	3
Total	13
Births.—White male,	3
White female,	7
Colored male,	7

Total	159

The official report of diseases by physicians for November is as follows: First Ward measles, 2 cases; Fourth Ward scarlatina, 3 cases; Fifth Ward scarlatina, 2 cases. It will be noticed that there was not a white male death in the city during the month of November which speaks volumes for the health of our city.

OFFICIAL FIELD DAY.

The Newly Elected Officials File Their Bonds and Enter on Their Duties.

The Board of County Commissioners met today in regular monthly session.

The new Board was sworn in by C. D. Upchurch, Clerk of the Superior Court, and B. P. Williamson, Esq., was re-elected chairman.

The Board then proceeded to the examination and acceptance of bonds of the several newly elected Constables in the county. S. M. Dunn, Register of Deeds elect, presented his official bond for \$10,000 with the following sureties: P. A. Dunn, T. R. Bridgers, L. R. Wyatt, W. D. Upchurch, J. R. Dunn and F. E. Weathers. The bond was accepted and Mr. Dunn sworn into office.

Sheriff elect, M. W. Page presented his bonds consisting of two for \$50,000 each for the collection of State and County taxes and one for \$5,000, for the faithful performance of duty. The list of sureties is a long one representing in the aggregate about \$250,000.

John W. Thompson the newly elected Clerk of the Superior Court, presented his official bond for \$15,000, with the following sureties: N. B. Broughton, W. R. Womble, J. R. Nowell, Dr. W. E. Richardson, R. B. Richardson, and A. D. Jones.

L. O. Lougee, Esq., County Treasurer elect, presented his official County and School bonds, with sureties as follows: School Bond—N. B. Broughton and A. D. Jones. County Bond—J. N. Rigsbee and C. B. Edwards.

There is much satisfaction expressed at the reelection of B. P. Williamson, Esq., as Chairman of the Board for the next two years. He has performed the duties of his office in such a manner as to win the confidence of all our people.

The North Side Land Company.

The "North Side Land Company" has been organized to develop the property of the Briggs estate and Wamble tract adjoining. This is certainly the prettiest part of the City of Oaks, and the building of residences has been almost exclusively confined to this section. New houses are being built within stone's throw of the above property. These lots are undoubtedly the most desirable to be had in Raleigh. The property, as every Raleighite knows, is in close proximity to Peace Institute, Murphy Graded School and Brookside Park, in fact 'tis the most beautiful suburb of our growing city. Lots within a block of this property have never sold for less than \$600 to \$1,500. The North Side Land Company have put these on the market at \$225 in easy payments. In our opinion every investor will in a short time double his money. The Briggs property is dotted with beautiful oaks. Almost every lot is ready for its building without any grading. Wide beautiful streets will be graded. Avenues running east and west have been named Oakdale, Briggs, Wake and Mordecai. These lots are being taken rapidly, a number already sold; if you want one you must speak quick. Mr. J. A. Jones is President of the Company, Mr. C. M. Hawkins, Vice President, and Mr. T. P. Jerman, Jr., Secretary and Treasurer.

LADIES' AND CHILDREN'S WRAPS—

We have got a stock of wraps that any one can be suited from. We have fine wraps for best wear. Then we can show you all the cheaper ones too. If you wish a child's school cloak, then you can be suited, and at a price much lower than you can have the same garment made for. The styles of our children's cloaks are the newest, and our prices are so low you wonder how we can sell such a good garment at such a low price. If you need a wrap of any kind, be sure to see our stock before buying.

SPECIAL NOTICES.

Clearing Out Sale.

On or about December 1st D. S. Waitt will remove from the old stand to the "Henry" building, opposite the postoffice; until then, he will offer special bargains in clothing, hats, gents furnishings, &c., in order to reduce stock before moving.

Wheeler and Wilson No. 9

Awarded the highest possible premium at the World's Exposition, Paris, 1889.

At Paris last year there were on exhibit all the principle American Sewing Machines.

The Wheeler & Wilson No. 9 was awarded the "Grand Prize," the greatest honor ever conferred on a sewing machine. But some ask: "Didn't a certain machine get a gold medal, I see they advertise it." Why, certainly, the following machines were so honored: "White," "New Home," "Davis," and "Singer." Thus the Wheeler & Wilson No. 9 is the acknowledged standard of the world. This machine is no more like a No. 8 Wheeler & Wilson than the letter A is like C. We don't like some things about the old No. 8 ourselves. The Wheeler & Wilson is the simplest, and runs easier and lighter than any other. The attachments cannot be surpassed. Just as soon as we saw the Wheeler & Wilson No. 9 had defeated the entire field, with one grand sweep, we took the sole agency and gave up our relations with all other machines, except an occasional order. We have been handling them several months now and everybody has fallen deeply in love with it. We now have twenty-five more coming soon. They have been ordered some time, and we are nearly out of machines on that account. Wheeler & Wilson are 100,000 No. 9 machines per year and still they are 30 days behind in filling their orders. You should not buy a machine till you see the No. 9, because you will like it better than any other. They cost more at wholesale than others, but our prices are rock bottom for cash or installments. Thanking the public for their past very liberal patronage, Respectfully,

NORTH STATE MUSIC CO.,
C. G. STONE, Manager.

John Gee Hossefat!

Said Mrs. Beeline to Mrs. Roundabout, have you seen those Muffs and those Capes and those Coats and those prices asked for them? Where, Where, exclaimed Mrs. Roundabout. Why, at Swindell's. You know they have some of the most startling bargains in these goods it was ever my misfortune to see! Oh! my, said Mrs. Roundabout, why do call it a misfortune to see good bargains? Because, said Mrs. Beeline, when I see those big bargains at Swindell's I always lose self control and spend money so freely that Mr. Beeline gives me such a lecture, but I can't help going to Swindell's to spend our money, because I always feel that I have gotten my goods at the lowest possible price. I tell you Mrs. Roundabout that man Swindell has saved a many dollar for the people here, and thousands of them are beginning to recognize it, and his low prices and good goods which he couples are telling a wonderful story. His store is crowded from morning till night every day in the year.

I tell you that man Swindell is a sight on low prices.

Girard College.

Brooklyn Citizen.

Girard College, in Philadelphia, was founded by the bequest of Stephen Girard, who left \$2,000,000, besides the proceeds of a certain portion of his estate, for the erection and establishment of a college for orphans. This edifice, of white marble, built in the Corinthian style, is admitted to be the finest specimen of Grecian architecture in America. It was begun in 1833 and opened in 1848, having cost in its construction almost \$2,000,000. A marble statue in the lower vestibule covers the remains of the founder.

BLACK GOODS

This season allows to the wearer of black goods more different textures than any previous year, and very well so, because those who wear black, like to have a variety to buy from, as well as those who wear colors.

The attractions of our Black Goods Department, are not confined to extreme novelties, notably shaggy, long haired styles, but embrace all the new weaves, in plainer materials, as well as the most staple fabrics.

The rougher goods which have been most popular so far this season, are the

CAMEL'S HAIR VIGOGNES,

CAMEL'S HAIR STRIPES,

CAMEL'S HAIR PLAIDS,

Cheviots in wide and narrow wales,

BOUCLES,

BOURETTE EFFECTS, &c.

In plainer materials, and staple fabrics, our greatest care is to secure the best of quality and perfection of finish, and we unhesitatingly recommend our line of these goods, as being the best to be had.
