VOL. XXV. RALEIGH, WEDNESDAY, JANUARY 21, 1891. NO. 94

NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

A meeting of the Board of County Commissioners will be held next Saturday for the purposes of electing a Register of Deeds for Wake County in place of the late Mr. S. M. Dunn, deceased.

At a joint caucus of the democratic members of the General Assembly, held last night, Mr. Josephus Daniels, editor of the State Chronicle, received the nomination for the office of Public Printer.

The Senatorial question is now out of the way and the General Assembly can now get down to the material interests of the State. The other "bone of contention"—the public printing is also disposed of. There is nothing now to fight for or to quarrel over.

There will be a pleasant social gathering of the officers and members of Manteo Lodge, No. 8, I. O. O. F., at the jewelry store of Thos. W. Blake on tomorrow (Thursday) night at 7 o'clock, sharp. We are requested to urge every brother to be on hand promptly.

Last Dividend.

A dividend of three per cent to the depositors of the late State National Bank has been made which makes a total of 53 percent. The entire amount dividend is \$173,908.84. This is the last division that will be made. Those entitled to share can receive the same by calling on Mr. John T. Pullen, Cashier of the Raleigh Savings Bank

Mass Meeting.

A mass meeting of the citizens of Raleigh will be held at Metropolitan Hall tomorrow night for the purpose of taking such steps as may be necessary to secure for this city the permanent location of the Southern Exposition and Immigration Bureau. Let every citizen be on hand. It is a movement of the greatest interest to our people, and no efforts should be omitted to secure it.

Board of Aldermen.

A meeting of the Board of Aldermen was held last night for the purpose of considering an application and recommendation of the Chamber of Commerce for an appropriation to permanently locate in Raleigh the Southern Immigration Bureau.

The city attorney submitted a written opinion on the subject holding that the law did not allow such an appropriation.

Acting upon this the matter was indefinitely postponed.

Funeral.

The funeral services of the late Mr. S. M. Dunn, were held at Forestville today, whence the remains were carried on the 11:35 train this morning. The following gentlemen acted as pall bearers: Col. J. W. Saunders, Thos. B. Bridgers, G. M. Allen, E. T. Hall, James McKimmon, Chas. McKimmon, N. W. West, and R. H. Brooks. All of these gentlemen were members of Manly's Battery and companions of the deceased. Quite a number of Old Confederate Veterans gathered at the house and escorted the remains to the depot.

The Agricultural Department.

The passage of the tonnage tax law by the General Assembly, places this most important branch of the State government finally on its feet, rescuing it from the embarrassment caused by the recent decisions of the courts. An effort was made by the Senator from Alexander to reduce the tax to fifteen instead of twenty five cents, but this was unanimously voted down, as was also a proposition of the Senator from Rockingham to strike out the taxing clause. It is due these gentlemen, however, to state that their propositions were made, by reason of instructions from their constituents, and in no manner represented their personal views.

Died.

At Apex yesterday afternoon, Mrs. N. B. Jones, aged about 60 years. Mrs. Jones was a most estimable lady in all the walks of life, and a consistent member of the Baptist Church.

The funeral took place at her residence in Apex this afternoon.

Church Entertainment, at Garner.

There will be an entertainment given by the Methodist Church at Garner, on Tuesday evening the 27th at early candle light. The object is to raise funds for the benefit of the church at that place. The charge will be moderate; let everybody attend. A good time may be expected.

I. O. O. F.

Candidates entitled to receive the Second Degree will be on hand at 7:30 o'clock sharp. Every Odd Fellow cordially invited.

Notice.

Important to all the young people of Edenton Street Methodist Church.

Tonight after the usual prayer service, which will begin at 7:30 and close at 8:15, there will be held a meeting of all the young people, for the purpose of effecting an organization that, it is believed, will be a source of pleasure as well as of profit to all its members, and to the entire church. All members of that church of 15 years and upwards are cordially invited to attend, and it is earnestly hoped that the pastor will be greeted by a large crowd on this occasion.

An Interesting Occasion.

A very large crowd assembled in the House of Representatives this morning to hear an address from Hon. J. L. M. Curry, Agent of the Peabody Fund, on the subject of Education. The lobbies and galleries were filled with citizens, while the main body of the Hall was occupied by the members. A large number of ladies were present.

Dr. Curry was introduced by Gov. Fowle in his happiest style. The remarks of the distinguished speaker occupied about two hours, and were listened to with the utmost attention, embracing within their scope the different phases of the great subject. That it will be of great benefit to the cause of education, there can be but little doubt.

Personal Mention.

Mr. Albert Johnson is quite sick at his residence on Hillsboro street.

Dr. Broughton, of Reidsville, the uncle of Mr. N. B. Broughton of this city has been quite sick for several days, and the reports this morning are not encouraging.

Miss Effie Robinson, of Warren county, is visiting Mrs. A. J. Jones of this city.

Adjutant General James D. Glenn, of the North Carolina State Guard, was in the city yesterday.

White—White—White.

When you can get a nice white laundered shirt, made of Wamsutta bleaching and twenty one hundred linen, for the small sum of 60c for men's size and 50c for boys' size, you are then getting goods much cheaper than any goods were ever sold to you. If you sold cotton at 4c per pound you would think you were selling cotton mighty cheap. Now these shirts are cheaper at 60c each than you cotton would be at 4c a pound. Remember this. Reflect and digest it and profit thereby, at Swindell's.

Now we have said about all we are going to say about these shirts, and they are being sold very rapidly. A new and beautiful lot of dress goods just in. Also a lovely line of carpets and rugs. Our clothing trade was never so good as now. A nice lovely line of men's silk hats, very low and the very latest styles. Get a hat at SWINDELL'S.
