## NEWS NOTES ABOUT THE CITY.

### What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Revenue receipts in this district for the month of January, were \$81,890.90. There are at present about 1,000 bales of cotton on the platform.

A reward of \$200 has been offered by the Governor for the capture of Chas. Williams.

Lookout for the new electric cars they are on the way, and will be running in a few days.

Work has been resumed on the new colored A. M. E. Church, corner of Harrington and Edenton streets.

Geo. F. Uzzle, Esq., is building five handsome new cottages on Saunders hill.

There were 33 marriage licenses issued for the month of January, 18 white and 15 colored.

Esquire Barbee sent two parties, Jerry Smith and George Mangum on to March term of the Superior Court for pugilistic performance.

Sir Walter Raleigh Division of K. of P. are ordered to meet at Castle Hall tonight at 7:30 o'clock sharp for drill. By order of the Captain.

The New York Star has assumed a new name and changed itself generally. We hope it may shine just as brightly by its new name "The Daily Continent."

The colored people have contributed, so far, about \$500 toward securing the Exposition. Good; let everybody go to work. "Get a move on you."

Don't fail to attend the mass meeting tomorrow night to receive the report of the committee. It will take hustling to secure this large prize. Be up and doing.

The Raleigh tobacco market is on a boom, the ware houses were full to overflowing today. The farmers are well pleased at prices, and well they may be. The tobacco buyers of this city are determined to make this market second to none in North Carolina.

The play last night made some decided hits. That "nig" with his "geese" was immense. Little Mabel Paige won the hearts of all, and it is to be regretted that her voice is not stronger. The company taken upon the whole is very good, and no doubt tonight in the beautiful play of "The Castaways" will meet a crowded house.

### The King's Daughters.

The members of the executive committee appointed to make arrangements for the State Convention of Kings' Daughters are requested to meet to-morrow (Wednesday) afternoon at 4:30 o'clock, at the residence of Mrs. E. W. McVea, on Halifax street.

### Mass Meeting.

Of the citizens is called to meet at the Mayor's Office on Wednesday evening at 7:30. All are urged to be present and hear the report of the canvassing committee who were appointed to raise the required sum to secure the Southern Inter-States Bureau and to help in devising means to accomplish this end. We refer our readers to an article on our third page on this subject. Don't fail to attend the meeting.

### Died.

We are sorry to announce the death of Mrs. Jno. Gatling which took place at 12 m., today at her residence near the south eastern suburbs of the city. Mrs. Gatling had been sick for sometime, and more recently her sickness has been regarded as serious, yet many will be surprised as well as pained at the announcement. The particulars and the notice of the funeral will appear tomorrow.

## Official Reports.

The resolution introduced in the Senate yesterday by Mr. Ardrey, is a good one. It requires the State officials to mail copies of their respective reports to members of the Legislature, as soon as possible after the close of the fiscal year. This will give time for full examination, and undue hasty legislation.

### Eight Feet High and Growing.

Miss Ella, the only daughter of Mr. and Mrs. Benjamin Ewing, of Graham Missouri, an eighteen year old maiden is eight feet tall, weighs 215 pounds and is still growing. She is now the tallest woman in the world, being about 6 inches taller than the renowned Nova Scotia Giantess. Her father is a typical farmer, stands 6 feet in his stocking feet and weighs 175 pounds; Mrs. Ewing is 5 feet 6 inches and weighs 120 pounds. The father, mother and daughter are at New York on their way to Europe to make exhibition of the young giantess on that Continent.

### The Impossible Required.

It is not possible for all men to agree on any subject, the tenets of which are not self evident; and yet men seem frequently incapable of tolerating disagreement. This intolerance of the unavoidable is the basal irritant in human affairs, and the man who expects everybody to agree with him, and sets down all who do not as enemies, is the most unfortunate of all men. He is apt to become soured with his surroundings, and is just fit for a hermitage. There is nothing in the affairs of men so intolerable as intolerance.

### A Fox Killer.

The Wilmington Star of Sunday says:

"Lumber," a very fine fox hound, has been presented to the Wilmington Fox Club by Mr. William Boylan, Jr., of Raleigh. The "Boylan pack" is known all over North Carolina, so the donor will be believed in what he says in the following letter to Capt. Phil Thomas:

"Am now breeding to his father 18 years old; has run twelve seasons and been at the death of between 475 and 500 foxes. We went hunting last Saturday in the rain and caught 3 foxes, between 9 and 3 o'clock. The first we killed in 7 minutes; the second in 20 and the third in 40 minutes. So you see 'Lumber' is used to fast company. We have had from 15 to 35 dogs for twelve years and I have only had three faster than Lumber—one a brother one a sister and one a niece of his. Take him all around he is the finest fox dog I ever owned or saw."

## COLORED CITIZENS MEETING.

### Generous Action in Behalf of the Southern Exposition.

A considerable crowd of the best colored citizens of Raleigh assembled in the court house last night to take action concerning the establishment of the Southern Immigration bureau here and securing the Southern Exposition. Prof. E. A. Johnson was chosen chairman, and J. E. Hamlin, secretary. Both made speeches setting forth the objects of the meeting in a clear light. They were followed by W. H. Matthews, who addressed the meeting at length. A collection was taken up, at which \$300 was raised, making thus far over \$500 collected by our colored citizens. This is a noble act, and the promoters of the enterprise should receive the cordial thanks of our people. We hope they will continue to use their energy in the good cause.

### Appointment.

The Governor this morning appointed A. L. Smith, of Charlotte, Inspector General, Vice F. H. Cameron resigned.
