NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

The Southern Dental Association meets at Morehead City, August 1st. Full moon tomorrow morning at 5 o'clock.

Wake Forest against the University tomorrow afternoon at the Athletic Park. Don't forget it.

Everything is now so quiet in the oyster section that the services of the patrol vessel have been discontinued.

The Forsyth Riflemen are preparing to attend the State Encampment at Wrightsville during the summer.

Nothing more delightful than a stroll around the city these beautiful afternoons.

Base ball game at Athletic Park tomorrow afternoon between the University and Wake Forest teams. It will be an exciting occasion.

Miss Janet Andrews, of this city has been appointed to a lucrative position in the Pension office at Washington City.

The will of J. J. P. Pinell, of Wake Forest Township was probated by the Clerk of the Superior Court yesterday afternoon.

We most sincerely hope that our local stockholders in the Seaboard Air Line System will use their influence to prevent the removal of the workshops from Raleigh, if such is contemplated. We cannot afford to lose them.

Register of Deeds, Mial, is much encouraged at the tone of the matrimonial market considering the season. While he is not extra busy in that line he is kept in tolerably good spirits.

The Baltimore Sun is authority for the statement that President Robinson contemplates the removal of the Raleigh and Gaston Railroad Shops from Raleigh, to a point further south. We sincerely hope that it may turn out to be incorrect.

Improvements are rapidly going on at the fair grounds, preparatory for the grand exposition next fall. An important feature will be the erection of a shed at the end of the railroad line to protect passengers against the inclemency of the weather.

Another interesting meeting was held at Edenton Street M. E. Church last night at which there was great religious feeling. Mr. Fife will preach tonight for the last time here at present.

The marriage of Dr John F. Crowell, President of Trinity College to Miss Carrie H. Pascol, of Woodbury, New Jersey on April 30th inst., is one of the social announcements of the season.

Whiting Bros are making a bold strike in the way of hats and shoes. Just think of it, a nice hat for \$1.49; who can beat this. The man who goes bareheaded or barefooted when such bargains as these are floating around don't deserve much sympathy.

The will of the late Paul C. Cameron is now in the office of the Clerk of the Superior Court of Wake, for record. It was sent here from Oxford where it was first offered for probate. It is a voluminous document of about seventeen pages. The estate is estimated to be worth about \$1,000,000.

The Revival at the Tabernacle.

The religious interest at the Tabernacle Church continues unabated. Every night there are conversions and several coming forward seeking the Saviour. It is surprising how the attendance has kept up night after night, and the brethren feel as if the good had only just commenced. Preaching tonight and tomorrow. Services in the afternoon at 8:30. The prayers of Christians are asked for this good work.

Mayor's Court.

A case of fighting between colored boys was called this morning, but, in the absence of witnesses was postponed until 4 p. m. today.

Robert Matthews and Robert Anderson, two young colored men were arraigned for drinking and disorderly conduct, in the way of cursing, etc; postponed until 3:30 p. m.

I. O. O. F.

Regular meeting of Seaton Gales Lodge, No. 64. I. O. O. F. tonight. The third degree will be conferred upon all candidates who are entitled to the same, provided they present themselves promptly at 8 o'clock. Other business of importance requires the presence of every member. Visiting brothers cordially invited.

Credit Will Sap Your Life and Your Energies.

Do not deceive yourself. Do not buy goods on credit; you can get more goods and better goods, for cash. You can feel independent; you will not be haunted by the collector; you will not have to go around the block to avoid the man who has a bill against you. If you buy for cash at Swindell's you do not have other peoples goods to pay for. Have you not had other peoples goods charged to you? Have not you thought your bill contained goods you did not buy? Swindell can afford to sell you goods lower than those who credit, because he loses no bills. Swindell is to move in his new store in August and before that time all his present stock must be sold and prices will be made to induce you. Our entire line of nice dress goods have been marked down low and you should try us once.

D. T. SWINDELL.

WE ARE COMING.

The Electric Street Railway in Sight—Proceedings of the Meeting Last Night.

In pursuance of a call made for a meeting of the Chamber of Commerce and citizens generally, there was a large attendance at Metropolitan Hall last night to discuss the proposition of Mr. John C. George, of Baltimore, for the building and equipment of a system of electric street railway in Raleigh. In the absence of President Latta, of the Chamber of Commerce, Jos. G. Brown presided.

Col. Hinsdale in behalf of the bondholders said they were willing to pay part of operating the roads. They invite and expect the citizens of Raleigh to join them and reorganize a capital stock of \$20,000, a funded indebtedness (6 per cent. first mortgage bonds) of \$100,000. It is expected that the bondholders and the citizens take these bonds at 80 cents on the dollar. It is believed that the road will be a success. If not, the citizens and the bondholders will share the loss. The \$100,000 worth of bonds are to be sold for \$80,000. This will be used to pay the present bonded indebtedness of \$25,000, the floating debt of \$5,000, and to use \$40,000 to construct a street railroad that will be equal to any street railway in the South. The other \$10,000 will be used to extend the lines of the road so as to make it a more desirable system. Each purchaser of \$1,000 worth of bonds would get \$200 in stock which, when the road succeeds, will be valuable. The bondholders propose for Raleigh citizens to be interested and to elect two out of five of the directors.

The remarks of Col. Hinsdale embody the proposition of Mr. George. Mayor Thompson made an able speech in behalf of accepting the proposition, stating that it was just and fair.

He was followed by Mr. W. G. Upchurch, who warmly advocated the scheme.

Maj. R. S. Tucker said that by the investment of \$15,000, or \$16,000, we had a scheme to place in our midst a \$100,000 plant, and advocated in his usual style the acceptance of the conditions.

Mr. Jno. T. Patrick, Col. Jno. D. Cameron, Mr. Fab. H. Busbee, Col. E. G. Harrell and Mr. J. N. Holding, made able and effective remarks.

The following gentlemen were appointed a committee to solicit subscriptions for the bonds:

Messrs. A. A. Thompson, H. B. Battle, W. E. Ashley, E. G. Harrell and D. E. Everitt.

In a few moments the following subscribers were volunteered:

W. G. Upchurch \$500, V. E. Turner \$500, Jno. W. Hinsdale \$500, W. C. & A. B. Stronach \$500, Julius Lewis & Co., \$500, D. T. Swindell \$100, Jones & Powell \$300, J. G. Brown \$100, A. A. Thompson \$100, Alfred Williams & Co., \$200, W. E. Ashley \$100.

The greatest enthusiasm prevailed and it was evident that our people are determined to have the road.

THE OUTLOOK.

The soliciting committee has been actively engaged during today, and, although we are unable to give the result in detail, yet we are warranted in the assertion that they have met with much success. At any rate we can state that the building and equipment of the road is considered certain. It is the opinion of those informed in the premises that the bonds can be sold by the coming fall at 90 cents.

Funeral.

The funeral services of the late Mr. Silas W. Morris took place yesterday afternoon. The remains arrived in the city from Goldsboro on the 4:32 p. m. train and were met at the depot by a considerable crowd of sympathizing relatives and friends. The casket was removed from the train and placed in charge of the following gentlemen who acted as pall bearers:

Messrs Junius S. Uzzle, Samuel H. Crocker, J. Edward Potter, Fred. H. Reaves, John T. Pullen and Rodney Fowler.

The body was escorted from Goldsboro by a number of his fellow workmen. The solemn cortege wended its way to the Old City Cemetery, where after services conducted by Rev. J. L. Foster, the remains were interred. The floral offerings tendered by loving hands were profuse and beautiful, thus showing the high esteem in which the deceased was held. "Peace to his ashes."

A Card

Mr. EDITOR:—I noticed an article in your paper on yesterday headed to the voters of the First Ward, and signed by Messrs Sironach, Parker, Redford and Terrell stating that they had been informed that I had circulated the report that if they should be elected they would favor a clean sweep of the police force and that they would turn out every one of them. I have not circulated any report that they were in favor of a clean sweep of the police force or that they would turn out every one of them. Respectfully W. W. PARISH.

Wedding Bells.

On this beautiful morning a very happy event occurred at the residence of Mr. and Mrs. John C. Jordan, it being the marriage of their daughter Mary E. Jordan to Prof. J. E. Matheny, of this city. The ceremony was performed by the pastor of the Tabernacle Church, Rev. Dr. Hall. A number of friends were present to extend congratulations. The happy couple left on the morning train for Richmond, Va., where they will spend a few days.

We join with their many friends in extending our best wishes.
