NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Splendid rain this morning, much to the delight of gardeners and trucksters.

Barbecues seem to be in order. There were two yesterday, and more to come off in the near future.

All reports from the surrounding country are to the effect that the apple and fruit crop will be excellent.

The county commissioners went out to the poor house today on their usual inspecting tour.

A match game of base ball will take place between the National and Oak City clubs on Thursday next at Athletic Park.

At the municipal election in Durham, a proposition to build a \$25,000 graded school house was carried by a good majority.

The market today was well supplied with lamb and other meats. The vegetable department was tempting especially in the way of strawberries and green peas.

There were 183 votes cast for Aldermen in the First ward yesterday. Yet the candidates only received 182 votes each. How is it accounted for? A chrono for the first correct answer outside of the poll holders.

There were seven divorces granted at the civil term of Wake Superior Court just adjourned. Who says we are not abreast of the times. All colored, however.

There were 24,500 messages handled in the Western Union Telegraph office in this city during the month of April and the business is increasing steadily.

There will be an adjourned meeting of the bar of Raleigh on Thursday morning next for the purpose of passing appropriate resolutions relative to the death of Capt. E. R. Stamps.

Is there any effort being made for Raleigh to obtain the National training school for girls? Most of the other towns in the State are moving in the matter.

Mr. Frank P. Lewis who had charge of the construction force of the electric street railway here for Edison Electric Company has been ordered to report at once to Atlanta and left on this afternoon's train.

There will be an important meeting of all the committees of the King's Daughters tonight at 8 o'clock in the Sunday school room of Edenton street church. The object is to prepare for the convention. A prompt attendance is desired.

The rescinding of the order to widen North Salisbury street which was passed by the retiring board of aldermen this morning, is much to be regretted. This street is the main thoroughfare to the new Johnson St. Station, and in its present narrow condition is almost impassible, as it is not wide enough for the passage of vehicles meeting. We hope the new board will consummate the original order.

Fire.

An alarm of fire was sounded between 3 and 4 o'clock this afternoon caused from the burning of the second story of the premises occupied by Mr. Cecil G. Stone, on Fayetteville street. For a time it was found very difficult to reach the fire as it was confined between the roof of the house and the ceiling. The firemen worked faithfully and finally subdued what at one time it was feared would prove a most extensive conflagration.

There was great excitement on the street, and some of the merchants in the vicinity of the fire moved out their effects. Had the fire broken out in the night it might have been very destructive.

Notice to the King's Daughters.

Tonight at 8 o'clock, in Edenton Street Methodist Sunday School Room, there will be a very important meeting of all the committees appointed for the purpose of making arrangements for the convention. As the time for the meeting is now close at hand, it is earnestly hoped that every member of the various committees will be present tonight.

By order of the Chairman of the Executive Committee.

Personal Mention.

Mr. F. P. Hobgood, of Oxford, is in the city.

Col. John D. Whitford, of New Berne, is spending a few days in the city.

Mr. W. G. Lewis, of Goldsboro, is in the city.

Col. W. H. Burgwyn, of Henderson, is in the city.

We are pleased to learn that the condition of Rev. Dr. Hall has somewhat improved. His mother in law, is still very sick.

Mr. W. M. Utley has three children quite sick.

Two Given for One.

That is what tells the story. There are some people who seem to be perfectly amazed at the great rushing trade that we are now having on fine dress goods. If they will take a look at our fine dress goods and see the prices, this matter will be fully explained. If they are any judge of goods they will see at once that we are giving two dollars worth of fine dress goods for one dollar. We expect to move in our new store on Fayetteville street in August and we will continue this great slaughter dress goods sale until that time. Our object is to dispose of our entire mammoth stock of dress goods before moving.

We are receiving daily new and attractive millinery goods, in all the latest and most fashionable styles and designs. In this department we are also having a very flattering trade this season. In men's, youth's and boy's clothing we have the largest and noblest assortment ever brought to this market and we guarantee our prices to be from \$3 to \$5 per suit cheaper than you can buy the same goods elsewhere. We have an endless variety of men's, women's and children's shoes and slippers, all of which we are selling at a big bargain.

Yours truly,

D. T. SWINDELL

Mr. John C. Feriman, Albion, Illinois, writes on Jan. 16th, 1891: "My wife has been a great sufferer from headaches for over 20 years, and your Bradycrotine is the only medicine that has ever relieved her. I can get you all the recommendations you want from her. We take great pleasure in recommending it on all occasions."

THE OLD AND THE NEW.

The Municipal Affairs of Raleigh Quietly Pass into the Hands of the New Board of Aldermen.

At 10 o'clock this morning the retiring Board of Aldermen met in the mayor's office for the transfer of municipal affairs to the newly elected board.

The clerk read the certificates of election of the newly elected members of the board.

The usual allowance of \$3 per day was made to the registrars and pollholders. Several accounts were allowed.

The motion of Aldermen Cowper made at the last regular meeting to rescind the order for the opening of North Salisbury street was taken up on a proposition to reconsider. The motion to reconsider was considerably discussed and the motion to reconsider prevailed. The proposition to pay Mrs. R. G. Lewis \$110 was rescinded.

Mayor Thompson made a few parting remarks to the old board, recounting some of the work of the past two years. He returned his thanks for the uniform kindness that has existed between the mayor and the board.

On motion of Alderman Cowper, the thanks of the board were tendered to Mayor Thompson and the clerk of the city for the faithful discharge of duty. A vote of thanks was also returned to Chief of Police Heartt and Collector Root.

The board then adjourned sine die.

THE NEW BOARD.

At 12 o'clock the new board met in the mayor's office.

All the members were present except Alderman Womble, who is sick. They were sworn in by Mayor Thompson, after which the board proceeded to elect a mayor.

Mr. Thomas Badger was placed in nomination and received a unanimous vote.

A committee consisting of Aldermen Stronach, King, Pogue and Pescud were appointed to inform Mr. Badger of his election.

At 12:30 o'clock Mr. Badger appeared and was received with applause by the Aldermen and the large crowd present.

Mayor Thompson called the attention of the board to the selection of certain committees which had been regulated by the old board; also to certain improvements now under execution. He then introduced Mr. Badger in a few appropriate and beautiful remarks. After which he administered to the new mayor the oath of office.

On assuming the duties, Mr. Badger made a short address pledging a faithful discharge of duty, in which he asked the co-operation of the Aldermen. He paid a high compliment to the outgoing administration.

The board then adjourned until 8 o'clock next Friday night.

After the adjournment the new mayor was congratulated by all present.

The need of a good spring medicine is felt by nearly every body, for the various impurities that accumulate in the system during winter months must be gotten out before health and strength can be had. KING'S ROYAL GERMATUER has been thoroughly tried and proven to be one of the best remedies ever used. It is perfectly harmless and pleasant to take. It purifies the blood, strengthens and builds up the system, prevents disease, aids digestion, cures dyspepsia, chronic headache, neuralgia, rheumatism and other blood and skin diseases. Try it. A. E. JORDAN ap30 5t

On the 18th the cattle inspectors at Deptford, England, discovered a case of pleuro pneumonia at that place. The animal affected had been imported from the United States.
