NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Next Monday being a State holiday, the banks of the city will be closed.

Several Italians from the south passed through the city today.

Hot wave predicted, with the thermometer probably up in the nineties by tomorrow afternoon.

The law breaker may not boast himself an early riser but he will be quite sure to get up before the judge.

The corn in the field is shocked, when it is made into whiskey. It is shocking even to think of it.

The cotton exchange was unusually dull today. The receipts were small and prices continue to rule very low.

There were no cases on the station house book for the consideration of the mayor this morning.

There was a noted scarcity of country people in the city today. Hard at work, we presume.

All the matters of the old street railway company will be settled up as soon as possible, after which work will commence on the new system.

The prege package boxes have been ordered by the Postmaster to be put at the Agricultural building and the headquarters of the Farmers' Alliance.

We learn the announcement that Mr. Hunter Harris of the State Chemist's department had accepted a position in the Bingham School is an error.

The capital stock of the Caraleigh Improvement Company has been increased to \$75,000. Work will be pushed on the mills as rapidly as possible.

The meat and vegetable market was well supplied this morning. Some extra fine strawberries, of the Sharpless variety, attracted much attention.

The alarm in and around Cary about mad dogs still continues. The excitement in some sections is said to be intense. A dog must be pretty well behaved in that part of the county now to avoid the contents of a shot gun.

There is said to be a little hitch in the proposed extension of the North Carolina Railroad to the site of the Caraleigh mills owing to some opposition concerning property through which it will pass. We hope the delay will be only temporary.

The Agricultural and Mechanical College boys had a game of base ball yesterday afternoon with the Morson and Denson boys; they played six innings. The score was 29 to 12 in favor of the College boys.

An important meeting of the Chamber of Commerce will be held next Tuesday night, at which matters of great importance will be discussed. It is desired that our citizens generally should attend.

The usual monthly services will be conducted tomorrow at the church of the Sacred Heart. The Rt. Rev. Leo. Haid, O. S. B. will administer the Holy Sacrament of Confirmation during the day. The Rev. Father Francis, O. S. B. will conduct the services.

Rev. Dr. N. E. Cobb will occupy the pulpit of the Baptist Tabernacle tomorrow morning at 11 a. m. and at night at 8 o'clock. A special meeting of the church will be held on Monday night next to make final arrangements for the remodeling of the house of worship. Every member is requested to be present.

At Uzzle's this afternoon will receive fine roe shad, trout and blue fish. Uzzle, 219 S. Wilmington st.

Cabbage and transplanted Tomato plants for sale. A. B. FORREST. 1m. 517 Polk St.

Funeral.

The funeral services of the late Mr. S. T. O'Neal took place yesterday afternoon at 4 o'clock from the church of the Good Shepherd, Rev. A. B. Hunter officiating. The floral tributes offered by loving hands were beautiful. The following gentlemen acted as pall bearers: R. M. Andrews, C. B. Edwards, P. W. McGowan, M. Bowes, D. O. Honeycutt and R. H. Battle. The interment was at Oakwood Cemetery.

The King's Daughter's.

There will be a mass meeting of all the King's Daughter's in this city tomorrow (Sunday) afternoon, at 5:30 o'clock in the Bible class rooms of Edenton Street Methodist Church. As the State Convention meets next week, it is important that this meeting be largely attended, and every member of this order is urged to be present.

Royal Arcanum.

Mr. A. M. Powell has returned from Tarboro where he went to attend a meeting of the Grand Council of the Royal Arcanum which met on the 6th, and adjourned on the 7th. Mr. Powell says that the members had a most delightful time and were entertained in a royal manner, one of the features being a well gotten up barbecue. Mr. Powell was re-elected Treasurer of the order. Mr. J. G. Wright, of Wilmington was chosen Grand Regent and Mr. N. Jacobs, also of Wilmington was selected as Vice Regent. Mr. W. B. Boyd, of New Berne was elected Secretary.

The sale of building lots in northeast Raleigh has been an immense success. The number of lots sold has exceeded our most sanguine expectations. The purchasers are such people as any one will be pleased to have for neighbors. We shall continue the sale at present prices until June 1st. At that date the prices of all lots will be advanced 10 to 25 per cent. Remember that the lots are sold at very low prices now, and on small monthly payments; no interest added. Send for our circular of description and prices. No such opportunity for investment has ever been offered in this city. Buy one of these lots and thus put a small amount of money each month where it will soon double itself.

GENTS STRAW HATS.—A better line we have never shown. First and nicest of all are the Dunlap straw hats. They, like the Dunlap fur hats, cannot be excelled by any manufacturer in the country. Then we have men's stylish straw hats, which do not come quite so high in price, are good, and the styles are correct. In fact, we have now a stock of straw hats from which we can suit almost any one. We have a particularly nice line of nobby styles for young men, showing the very latest city shapes. Come and choose your straw hat before the lot gets picked over.

Uzzle, 219 S. Wilmington st., will, about middle next week, receive a car load Georgia watermelons at his store, 219 S. Wilmington street.

Board of Aldermen.

An adjourned meeting of the Board of Aldermen took place last night, Mayor Badger presiding.

Alderman Stronach introduced the following resolutions, which were adopted:

Believing it to be the first duty of a government to preserve its credit by electing the best member to administer its affairs; therefore, be it Resolved, 1st. That we will carefully consider the men and claims of every candidate offered before this board.

Resolved, 2d. That we will not recommend or elect or retain any one to hold an office under this administration who is able and will not pay his honest debts. Adopted.

A petition was received from S. T. Smith to extend his front on a line with the Fisher building. Referred to the street committee.

Alderman Stronach moved that all the officers of the city government be required to render a statement of account to the board. Adopted.

The board then proceeded to the election of officers. Alderman Lewis moved that the salaries of all the officers be fixed before electing them. Adopted.

The salaries were fixed as follows: City clerk \$75 per month and fees heretofore allowed. Chief of Police \$65 per month and fees heretofore allowed. The fees of the Collector are allowed by law. The salary of the Janitor was raised from \$40 to \$50 per month, and that of the Keeper of Market to \$50. All the other officials were allowed the same salaries as heretofore. C. W. Lambeth, C. D. Heartt and C. B. Root were re-elected respectively to the offices of Clerk, Chief of Police and Tax Collector. W. Z. Blake was elected Street Commissioner, J. G. Brown City Treasurer; J. N. Holding, City Attorney; Ham F. Smith, Auditor; T. W. Blake, keeper of city clock; B. S. Jerman, commissioner of sinking fund; W. H. Weatherspoon, clerk of market; J. H. Marshall, janitor; Seth Jones, keeper of city cemetery; Sampson Anderson, keeper of colored cemetery; W. G. Briggs, city weighmaster.

Alderman Lewis was chosen chairman of finance committee and Alderman Stronach chairman of street committee.

The bonds of officers were fixed as heretofore.

Mayor Badger called the attention of the board to the amended charter requiring a board of equalization of three persons to be appointed during the present month.

Adjourned until next Friday night.

A Great Change,

And one that should interest every person in and around Raleigh.

In the month of August we will move in our new store on Fayetteville street and we want to carry with us as little of our present stock of goods as possible. And in order to sell out very close by that time we have reduced the price on a good many lines of goods to prime wholesale cost. These goods are going very rapidly. Those who have examined the quality and seen the prices, invariably avail themselves of this rare opportunity of getting more and better goods for their dollars than they ever bought before. Our big slaughter dress goods sale is attracting more attention every day. Our trade in this line is constantly increasing but there is no reason why it should not, for we have a tremendous stock to select from and we are selling it at less than one half its real value. We are constantly adding to our already large and superb assortment of millinery goods. New attractions every day in the very latest and most fashionable styles and designs. We are now showing a large and nobby assortment of men's, youth's and boy's clothing, all of which are big bargains.

Yours truly, D. T. SWINDELL.
