## NEWS NOTES ABOUT THE CITY.

### What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Warm weather now needed. Let all our people talk and work for the Exposition.

The sheriff of Orange county settled with the State Treasurer in full yesterday afternoon.

The State Treasurer says that what are known as the May sheriffs have until the 20th instant to settle. A few have not yet come up.

Can't the long talked of telephone communication between Raleigh and Durham be consummated. It would be a very convenient, and, we think a paying enterprise.

The Board of Aldermen will meet to night in pursuance to adjournment. It is expected that much important business will be transacted, including the election of police.

Gov. Holt will, in a short time, issue a circular giving all the particulars as to how the direct taxes are to be paid. Until then, all interested must have patience.

Now that the Executive committee of the Insane Asylum have granted to the Raleigh Cotton Mills right of way for a branch from the North Carolina railroad, we hope there may be no further obstacle to the scheme. It will be a matter of great convenience to all concerned.

### Interesting Lecture.

This afternoon at 5 o'clock Mrs. Isabella Charles Davis, General Manager of the Central Circle of Kings' Daughters at New York, lectured at the Sunday school room of Edenton Street Methodist church. It was an occasion of much interest and elicited the highest commendation from all who attended.

A man living in Laramie, Wyoming, is suing that city for \$5,000 for killing his dog.

### Funeral.

The funeral services of the late Mrs. Mary E. Bretsch took place yesterday afternoon from the Church of the Sacred Heart, Rev. Father Francis officiating. The following gentlemen acted as pall bearers: Messrs. John R. Ferrall, James Boylan, I. Winetrob, Wm. Simpson, W. T. Woodard and D. Berwanger.

### Executive Notes.

The following business was transacted at the executive office today:

The Governor issued a reward of \$200 for the apprehension of R. H. Reddick for murder committed in Brunswick county, Feb. 26, 1891.

D. W. Oliver and C. C. Jordan were appointed Notaries Public, the former for Robeson and the latter for Henderson county.

### Well Pleased.

Superintendent Tree of the Western Union Telegraph Company, arrived in the city, a day or so since from Richmond, Va. We suppose, Mr. Tree came hither for the purpose of looking into matters connected with the lines of the company in this State. We learn that he is highly pleased with the conduct of the office in this city, which reflects the highest credit upon Manager Brown and his efficient corps of assistants.

### The Kings' Daughters.

This noble band of charitable ladies met again this morning at 10 o'clock, in the Sunday school room of Edenton street M. E. Church. The exercises consisted of devotional exercises and the discussion of the industrial and Training School, Woman's Board of city charities and the Oxford Asylum. There was a considerable attendance notwithstanding the inclemency of the weather. The main feature of the occasion, this afternoon, will be the address of Mrs. I. C. Davis, and no doubt a large crowd will attend.

### That Fence.

That unsightly fence around Moore Square is allowed still to remain. The only effect it has, in any way, is to injure the appearance of that otherwise pretty square. The stock law is enforced in all this section of the country, so that there are no stray cattle to encroach upon it. The fence is repulsive and ugly and is absolutely of no use whatever, where it is, then why in the name of reason is it allowed to remain? If the Aldermen don't want the trouble to take it away, they can advertise and sell it to the highest bidder to be removed by the purchaser and it will be bid for lively. This will be better than to allow the old fence to rot entirely down. Sell it.

### New Enterprise.

We called this morning at the new cigar manufactory of Mr. J. M. Norwood on Wilmington street and were much pleased to note evidences of success in the enterprise. Mr. Norwood tells us that he is much encouraged, although he has not yet made more than a mere preliminary arrangement of what he will do. He has secured the services of some excellent workmen, the foremost of whom has had twelve years experience in the business. In the make up of the cigars manufactured by him, Mr. Norwood says he will use the finest fillers, and he feels confident he can successfully compete with any manufacturer at a distance. Today he was engaged in filling an order for five thousand cigars, and when the fall trade opens he is sure his orders will come fully up to the capacity of the factory. We are delighted to note the success of such a home enterprise, and we hope our people will give it all the encouragement possible.

### Personal Mention.

Mr. John Robinson, President of the Seaboard Air Line, was in the city a short time yesterday.

Hon. J. C. Scarborough has returned from Birmingham, Ala., where he has been attending the Baptist Convention.

Rev. Drs. Bailey and Durham have returned from Birmingham, Ala.

Mrs. A. Roscow, who has been in the city for the past two days visiting friends, left for her home at Goldsboro, this afternoon.

Mrs. Dr. Whitsett, of Greensboro, is in the city, the guest of Mrs. Garland Jones.

We are pleased to see Mr. Junius Slocumb, of Goldsboro, in the city.

Mr. W. T. Harrison, of Goldsboro, is in the city.

We regret to learn that Mr. W. A. Lodge, is quite sick.

The following gentlemen are at the Yarboro: S. Kotten, New York; J. C. Allen, Tarboro; W. L. Brown, Greenville; F. C. Hyman, Smithfield.

### Prompt Action.

We cannot too earnestly urge upon the commissioners and justices of the peace of the several counties to take prompt action upon the suggestion made by the recent Real Estate Convention, for the collection of products for the coming exposition. It is recommended that the different counties act at the meetings to be held on the first Monday in June because, on that day, there will be joint meetings of the commissioners and justices of the peace called for the purpose of levying the county taxes and for other purposes. Thus it will be convenient for them to act jointly in the matter proposed.

As Wake county is the largest in the State, and represents the capital of North Carolina, it would seem proper for it to lead off in the movement, especially as our city is to be the beneficiary to a large extent of the proposed exposition. We hope, therefore, to see our commissioners and justices take prompt and decided action in the matter at the next meeting. There is no time to lose, because arrangements will soon be on foot for preliminary steps looking to the opening of the "big show." The resolution of the Real Estate Convention also recommended the co-operation of the cities and towns and we feel sure that Mayor Badger and the Board of Aldermen will heed the suggestion in ample time.

### Removal Temporarily.

We have removed to 213 Fayetteville street, next to Stronach's. Having had our insurance adjusted we will be open tomorrow for business. All goods at all damaged will be closed at once at a sacrifice. We have a large stock of parlor organs, pianos, &c. NORTH STATE MUSIC CO. C. G. Stone, Manager. my 14 2t

Did you ever see a man terribly in earnest? When you get terribly in earnest you are just as sure to accomplish what you are endeavoring to do as the sparks are to fly upwards.—Well, we are terribly in earnest about this dress goods sale which we are now having. We are determined to sell all of our nice dress goods before we move in our new store on Fayetteville street in August, and to accomplish this end we know we must sell dress goods for less money than any one else in the dress goods business. We are offering all our nice dress goods at exactly what the goods cost us in New York. This sale will continue till we move.

Each day brings some new novelty to our millinery department and all the most stylish things in millinery can be found in our millinery rooms. We make business by making low prices.
