## NEWS NOTES ABOUT THE CITY.

### What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief

The United States Circuit Court will meet in this city on Monday, June 1st.

Rev. F. H. Whitaker, of this city will deliver the annual address at Burlington Academy June 5th.

Everybody is anxiously waiting for operations to commence on the electric street railway. As Mr. Patrick says, it is the most important matter just now.

New Irish potatoes in market today, but they are not exactly in the reach of those with slim purses. Besides they are not as fully matured as a due regard to health requires.

Rev. C. J. Wingate, of Durham, who will act as temporary Rector of the Church of the Good Shepherd for the summer months, will officiate to-morrow at the morning and evening services.

Twenty six wagons loaded with wood were counted on East Hargett and Wilmington streets this morning. Although prices were high it seemed to find ready sale.

There was not an item of interest to be found at the courthouse to-day. Clerk Thompson says the times in his line are unusually dull. Very few mortgages being made, which is a good sign for the people generally.

The lower limbs of the shade trees on Hillsboro street, between McDowell and Dawson, should be cut off. They are so low that a person with an umbrella or parasol has to stoop in order to get along.

We were informed today by Mr. W. G. Upchurch that the name "Caraleigh" which has been applied to the new cotton factory is made up of the words "Carolina and Raleigh." It was suggested by a prominent citizen.

A well informed gentleman from the country told us this morning that the damage by the late frosts had certainly been overestimated. He says the injury was of a very slight character.

Our old friend Capt. Reagan, for so many years the popular conductor on the R. & G. Railroad, was in the city today. He is passing gently down the incline plane of life as a prosperous farmer, a few miles from Raleigh.

Senator Ransom has been to New York to invite ex-President Cleveland to visit Morehead during the Teachers Assembly. We hope he will come, although the great men of the nation seem generally to ignore our invitations.

We hope those having eligible sites for the Auditorium, to dispose of, will not hesitate to make it known to the committee of Aldermen. There is no time to lose if we expect to have an auditorium in the next year or so.

The entertainment at the Institution for the deaf and dumb and the kind last night given by the resident members of the Kings' Daughters' to their visiting friends, was well attended. The programme was a most excellent one and all present were highly delighted.

Mr. H. C. Harris, of Baltimore, Md., has been added to the painting force of Messrs. Evans & Martin, corner of Blount and Morgan streets. These gentlemen are crowded with orders. They are doing a high class of work and are seeking first class workmen to do it. Mr. Harris comes well recommended.

The suggestion that the President of the United States be invited to visit Raleigh during the coming exposition, is a good one, and we hope His Excellency may find it convenient to "swing around the circle" in this direction. We must protest however against any announcement being made of his coming, until it is certain. Our folks have been badly disappointed in such a manner before.

### Died.

Dr. William Green, well known in Raleigh and vicinity, died at his residence near this city yesterday afternoon. He was about 62 years old.

### Cotton Market.

The receipts today have been small and prices ruled low. The receipts for the season, up to date have been 37,185 bales, against 20,988 last season. Shipments are light.

### Mayor's Court.

The most important case before the Mayor today, was the State vs. a party for beating a woman last night, in the street near the Gas House. The evidence was conclusive and the Mayor fined the defendant \$10 and costs.

### A Cheap Trip.

The next annual meeting of the Teachers' Assembly will take place at Morehead City June 16th to 30th, 1891.

It will be one of the most important sessions yet held, and extra inducements will be offered to attract a large crowd. The expenses of a trip to Morehead will be quite reasonable. Maj. Harrell thinks that the expenses covering a two week's visit need not be over \$25, which includes railroad and hotel fare. We have no doubt there will be a large crowd.

### Tobacco Exhibit.

We are requested to announce the following committee, appointed by John S. Lockhart, President of the N. C. Tobacco Association, for the exhibit to take place at Morehead on the 5th of August: W. A. Davis, Oxford; H. A. Reams, Durham; E. M. Pace, Wilson; E. C. Edmonds, Winston; J. P. Taylor, Henderson; W. L. Walker, Asheville.

None but farmers will be allowed to compete for premiums.

### To Those Who Are Interested in Fine Dress Goods.

We will state that any one who is interested in fine dress goods should, by all means, attend the great slaughter dress goods sale that is now going on at Swindell's great emporium. We have made up our mind to make a clean sweep of our fine dress goods before moving in our new store, and in order to do this we have reduced the price on the entire line to less than one half its real value. Any one wishing a nice dress will find it to their interest to examine our stock before making their selection. We are now showing an elegant assortment of white goods of the very latest and most fashionable style and design. We are constantly receiving new attractions in millinery goods and we invite all to come and see them.

Yours truly,  
D. T. SWINDELL.

It was resolved that the proper authorities be required to look into the matter of the contract between Mr. Steinmetz and the city relative to Nash square.

It was suggested by Alderman Lumsden that the fountain in Moore square be removed to Nash square, and it was referred to the Park Committee.

The Mayor called attention to the action of the Convention of Industry and Development requesting that each Mayor of the State meet with the magistrates in regard to making exhibits at the Southern Inter-State Exposition.

Alderman Pogue moved that the Board of Equalization be requested to act with the Board of County Commissioners in regard to the exhibit of Wake.

It was moved that the Street Commissioner be allowed to purchase a vehicle not to exceed \$85. Referred to the Street Committee with power to act.

The matter of hack hire during the exposition was discussed, and it was referred to the Finance Committee to be reported on at the next meeting.

### Why?

Correspondence of the VISITOR.

Why should the fountain be removed from Moore to Nash square, as suggested by one of the Aldermen last night? No reason was given. Nash square is already most beautifully laid out and adorned. Why should the people of the eastern section of the city be discriminated against? Is there any reason for it?
